Subject: Town council

Rick,

Unfortunately I'm writing today to tender my resignation as a member of Town Council. My personal situation has changed in a way that makes it impossible for me to dedicate myself to this job. Please share with Council and staff my regret for having to leave before my term is over, as well as my gratitude for such a rewarding experience. I appreciate all that I have learned and the relationships I have made more than you know.

Regretfully,
Lisa Holenko
