MEMORANDUM

P.O. BOX 4100 □ FRISCO, COLORADO 80443

**TO:** MAYOR AND TOWN COUNCIL  
**FROM:** RYAN THOMPSON, WATER SUPERINTENDENT  
**RE:** FIRST READING ORDINANCE 24-19 WATER TIMING CODE CORRECTION  
**DATE:** NOVEMBER 12, 2024

**Summary & Background:**

This program was developed to match surrounding communities and align with the irrigation schedule. This program was initiated to streamline public messaging and get a greater awareness of water use and conservation. Council approved Ordinance 24-07 in March of 2024 to adopt the new irrigation schedule. Unfortunately, an error occurred when translating code sections from the staff report into new code language, and the odd/even days were reversed. Ordinance 24-19 simply makes this correction. All information sent to the public and posted on the Town of Frisco website on updated watering days has been correct. Only our code language was adopted incorrectly.

**Analysis:**

This correction is necessary to align with the County-wide irrigation restriction schedule.

**Financial Impact:**

None at this time.

**Alignment with Strategic Plan:**

The 2024-2028 Frisco Strategic Plan includes the strategic objective, "Provide progress-driven Quality Core Services." Within this objective, one key pillar is environmental stewardship and climate change, which emphasizes the commitment to protecting the environment and taking proactive steps to mitigate the effects of climate change.

**Environmental Sustainability:**

This correction would promote environmental sustainability by improving water conservation guidance, administration, and compliance.

The proposed correction would improve stewardship of the Town's water resources and is consistent with the Strategic Plan and the Town Council's goals for promoting sustainability.

**Staff Recommendation:** Staff recommends Council approve Ordinance 24-19.

**Reviews and Approvals:**

- Tom Fisher, Town Manager
- Diane McBride, Assistant Town Manager
- Leslie Edwards, Finance Director
