

AMENDED AND RESTATED UNCONDITIONAL GUARANTY

For value received, as of this ____ day of _____, 2025, and for the purpose of enabling NHPF GALENA, LLC, a Colorado limited liability company (hereinafter called the “Debtor”), to obtain credit or other financial accommodations from the TOWN OF FRISCO, a Colorado home rule municipal corporation (“Lender”), pursuant to that certain Loan Agreement (“Loan Agreement”) by and among Debtor and Lender, the undersigned (“Guarantor”), hereby guaranties absolutely and unconditionally the (a) the prompt and complete performance of the obligations of Debtor, as set forth in the Loan Agreement, to construct the improvements in accordance with the plans and specifications, free and clear of all defects and liens and in compliance with law and to cause all improvements to be accepted and/or approved by the appropriate federal, state, county, city or other local governmental body (each a “Governmental Authority”) on or before the completion date and (b) at any time during construction of the improvements, in the event a mechanic's lien or notice of intent to file lien is recorded against the Property, which lien is not paid in full or bonded around pursuant to the provisions of the mechanics liens statutes of Colorado within 60 days from its filing, unless such lien is due to Lender's failure to make disbursements of Loan proceeds in accordance with the Loan Documents, Guarantor shall do the following: (1) immediately pay the amount claimed in the lien in full, (2) post a bond pursuant to the Colorado statutes adequate to have the lien removed from the Property, or (3) provide security to Lender in an amount and form deemed reasonably satisfactory to Lender to insure the prompt payment of such lien, together with interest and costs, and to pay such lien payment prior to the granting of any judgment of foreclosure being issued (collectively items (a) and (b), the “Completion Obligations”). The Completion Obligations are sometimes hereinafter referred to as the “Guaranteed Obligations”.

Without in any way limiting the generality of the foregoing, upon the occurrence of an uncured event of default under the Loan Documents, Lender shall have the option, to be exercised in its reasonable discretion, to require Guarantor to complete construction of the Project, to complete construction of the Project itself, or to cause the Project to be completed by a third party. In the event Lender elects to require Guarantor to complete the Project, Lender shall make available to Guarantor any undisbursed Loan proceeds which are not subject to legal impairment to disbursement and which have been designated in the budget for the payment of Project costs directly related to the construction of the improvements. Such funds shall be disbursed to Guarantor only upon satisfaction of all requirements for disbursement set forth in the Loan Agreement and in accordance with any disbursement procedures set forth in the Loan Agreement, and any amendments thereof, and provided that Guarantor shall comply with all of the terms and conditions of the Loan Agreement. In the event that Guarantor does not satisfy all of the requirements for disbursement of Loan proceeds set forth in the Loan Agreement or does not comply with the disbursement procedures set forth therein after the expiration of any applicable cure periods contained therein: (i) Lender shall have no further obligation to disburse any portion of the Loan proceeds to Guarantor; (ii) Lender may pursue whatever remedies it may have available at law or in equity for breach of such terms and conditions; and (iii) at Lender's option, to be exercised in its sole discretion, Guarantor shall perform the Completion Obligations at its sole cost and expense without any right or recourse to any portion of the Loan proceeds or Lender may complete the Project itself or cause the Project to be completed by a third party and charge the entire cost thereof to Guarantor. In the event that Lender elects to complete the Project itself

or to cause a third party to complete the Project, Guarantor shall pay to Lender, immediately upon demand therefor, an amount equal to the difference between actual costs reasonably incurred by Lender in completing the Project minus the sum of the undisbursed Loan proceeds which relate to Project Costs which are reflected in the budget as of the date of Lender's election to complete the Project itself or to cause a third party to complete the Project and which are directly related to the construction of the Project.

Capitalized terms used but not defined in this Amended and Restated Unconditional Guaranty ("Guaranty") are defined in the Loan Agreement. This Guaranty will remain in force until the Note is paid in full or forgiven in accordance with the terms of the Note (such date being referred to herein as the "Termination Date"), at which time this Guaranty shall automatically immediately terminate and be of no further force or effect. This Guaranty is being executed due to the close business and financial relationships between Debtor and Guarantor and in consideration of the benefits which will accrue to Guarantor and as an inducement for and in consideration of Lender providing or extending the Loan made pursuant to the Note.

The Guarantor understands that the Lender is relying upon the execution of this Guaranty as a condition precedent to making the Loan.

The liability of Guarantor described above shall continue until the Termination Date; provided, that upon the issuance to Debtor by the Town of Frisco of a permanent certificate of occupancy for the Development, Guarantor shall only be personally liable to Lender for the repayment of a portion of the Loan equal to any loss or damage suffered by Lender (the "Losses") as a result of (1) failure of Debtor to pay to Lender upon demand after an Event of Default all rents to which Lender is entitled under the Leasehold Deed of Trust, Security Agreement, Financing Statement and Assignment of Rents and Leases (the "Security Instrument") and the amount of all security deposits collected by Debtor from tenants then in residence; (2) failure of Debtor to apply all insurance proceeds and condemnation proceeds as required by the Security Instrument; (3) failure of Debtor to comply with the Loan Agreement and the Security Instrument relating to the delivery of books and records, statements, schedules, and reports; (4) fraud or material misrepresentation by Debtor or Guarantor or any member, manager, officer, director, partner, member, agent or employee of Debtor or Guarantor in connection with the application for or creation of the Loan or any request for any action or consent by or on behalf of Lender; (5) failure to apply rents, first, to the payment of reasonable operating expenses (other than property management fees that are not currently payable pursuant to the terms of an Assignment and Subordination of Property Management Agreement or any other Loan Document) and then to amounts ("Debt Service Amounts") payable under the Note, the Security Instrument or any other Loan Document (except that Debtor will not be personally liable (i) to the extent that Debtor lacks the legal right to direct the disbursement of such sums because of a bankruptcy, receivership or similar judicial proceeding, or (ii) with respect to rents that are distributed on account of any calendar year if Debtor has paid all operating expenses and Debt Service Amounts for that calendar year); or (6) failure of Debtor to comply with the provisions of Section 4.6 of the Security Instrument requiring maintenance of the Development. For purposes of determining Debtor's personal liability under this paragraph, all payments made by Debtor with respect to the Loan and all amounts received by Lender from the enforcement of its rights under the Security Instrument shall be applied first to the portion of the Loan for which Debtor has no personal liability. Guarantor shall at all times also be personally liable to Lender for the repayment of all of the

Indebtedness upon the occurrence of any of the following Events of Default: (1) Debtor's acquisition of any property or operation of any business not permitted by the Loan Agreement; (2) a transfer (including, but not limited to, a lien or encumbrance) of all or any portion of the Development or any membership interests in Debtor that has not been approved by Lender.

The Guarantor agrees to pay reasonable attorneys' fees and all other reasonable costs and expenses which may be incurred by the Lender in the enforcement of this Guaranty or in the collection of the Note, or any substitution thereof, from the Debtor or the Guarantor.

The Guarantor waives, to the extent permitted by applicable law: (a) notice of acceptance of this Guaranty by the Lender; (b) notice of the failure of any person, firm, or corporation, to pay to the Lender any indebtedness owed to the Lender as collateral security for any obligation of the Debtor; (c) the taking of collateral or guaranties now or at any time held by or available to Lender for the obligations of the Debtor or any other party at any time liable for or in respect of the Loan; and (d) all defenses (other than full performance hereunder and defenses arising from any statute of limitations), offsets and counterclaims which the Guarantor may at any time have to any claim of the Lender against the Debtor.

So long as any amounts remain outstanding under the Note, Guarantor hereby (i) irrevocably and unconditionally waives and relinquishes all statutory, contractual, common law, equitable and all other claims against the Debtor, any other guarantor of the payment of the Note, any collateral for the Loan, bond, or other assets of the Debtor or any other obligor, for subrogation, reimbursement, exoneration, contribution, indemnification, setoff or other recourse in respect of sums paid or payable to the Lender by Guarantor hereunder and (ii) irrevocably and unconditionally waives and relinquishes any and all other benefits which the Guarantor might otherwise directly or indirectly receive or be entitled to receive by reason of any amounts paid by or collected or due from the Guarantor or the Debtor upon the Note or realized from their property.

The Guarantor hereby expressly authorizes the Lender, with notice to it, to agree on any modification to the Note, and hereby waives presentment for payment, protest, notice of nonpayment or dishonor and notice of protest of any of the said evidences of indebtedness, renewals, extensions or modifications thereof and of the amount, beginning or ending of any credit which the Lender may extend to the Debtor.

This is a guaranty of payment and not of collection, and the Lender may at its option proceed in the first instance against the Guarantor to collect any obligation covered by this Guaranty, without first proceeding against the Debtor, or any other person, firm, or corporation, and without first resorting to any security or to any balance of any deposit account or credit on the books of the Lender in favor of the Debtor or any other person. The Lender may apply any payments or credits received by the Lender from any source, in such manner as the Lender sees fit but the Lender agrees to give the Guarantor prior notice of such application. The Guarantor agrees that if all or a portion of the indebtedness evidenced by the Note is at any time secured by a deed of trust or mortgage covering an interest in real property, the Lender, in its sole discretion, without notice or demand and without affecting the liability of the Guarantor under this Guaranty, may foreclose such deed of trust or mortgage and the interests in real property secured thereby by nonjudicial sale.

Each reference herein to the Guarantor shall be deemed to include the successors and assigns of the Guarantor, all of whom shall be bound by the provisions of this Guaranty.
