RECITALS

WHEREAS, the Town is a home-rule municipality that owns and operates a domestic water treatment and distribution system and is empowered to sell treated domestic water to its customers; and

LOT 166R, BLOCK 9, BILLS RANCH WEST SUBDIVISION, SUMMIT COUNTY,
COLORADO

WHEREAS, the Owner has presented an application to the Town for extra-territorial water service at the Subject Property for 1 residential tap equivalent (the “Application”), and the Town Water Department has, pursuant to requirements of the Code of Ordinances of the Town (the “Town Code”), reviewed the Application and determined, pursuant to the Town’s extra-territorial tap evaluation tool, that the Town should approve the extra-territorial service and allow for the payment of cash in lieu of water rights for that service, and has determined the amount of cash to be paid in lieu of water rights, as well as the cost of the plant investment fee to be paid in connection with the service of water to the Subject Property; and

WHEREAS, the Town desires to provide water service to support residential use of the Subject Property, but only in a manner that protects the health, safety and welfare of both the future residents of the Subject Property, and the current and future residents of the Town, by causing no diminution in the supply of water available for the Town to deliver to its current and future residents and to its extra-territorial customers in times of drought or water scarcity conditions; and

WHEREAS, accordingly, the Town herein agrees to sell treated water to the owner of the Subject Property, and the Owner agrees to pay cash in lieu of water rights to the Town for the Town’s use in providing such water service, and to take such other actions and to provide such other improvements that are necessary to provide water service, all in accordance with the terms of this Agreement and the Town Code.
