Hi,

I just wanted to pass on the thanks of Eric Theoret, a close friend/ex/roommate of the missing person John Ceilley. He was last known alive at the family's condo in Frisco, so he was reported missing to Frisco PD and your department worked the case until Mr. Ceilley was found deceased in his car on Swan Mountain Road. Mr. Theoret was vastly impressed with the compassion, diligence and hard work of the Frisco Police Officers who worked on the missing persons case. He has brought it to my attention numerous times. He is incredibly thankful for the work done by your department, and Officer Johnson (I believe) in particular. He said he was going to send his thanks to you, but just in case he doesn't have the chance to, I wanted to bring it to your attention.

Thanks!

Jill Ratliff
