The Advisory Board will: (i) approve the Public Health and Education Plan (the "Plan") described below; (ii) collaborate on the implementation of the Plan; and (iii) endeavor to coordinate the expenditure of Opioid Funds as provided herein. The implementation measures and associated programs shall be evaluated at least annually by the Advisory Board for their effectiveness and quality and reported to each Party's governing board.

The Plan may be amended from time to time and shall include provisions for the joint review of the prior year's expenditures and performance of the various programs during the prior

calendar years so as to inform future decision-making by the Parties. The Plan shall comply with the terms of the Colorado MOU and any settlement.

For the purposes of ensuring proper distribution of the Settlement Fund revenues, the County and the Towns shall share and exchange confidential information obtained by the Parties or provided by the State subject to any limitations of the State and all statutes and local ordinances controlling the same while maintaining taxpayer confidentiality. All such information exchanged shall remain strictly confidential and shall be used only for its purposes designated herein.

Section 10. Amendment of Agreement; Additional Parties.

a. Except as otherwise provided in this Section, this Agreement may be modified or amended only by a duly executed written agreement with the express approval of the governing bodies of all Parties.

b. This Agreement may be amended to add one or more additional incorporated Town Parties upon passage of an ordinance or resolution of the additional Party's governing body approving of this Agreement.

Section 11. Term and Termination of Agreement.

a. Effective Date. The term of this Agreement shall begin when the County and one or other Party has executed this Agreement.

b. Termination. The term of this Agreement shall end when the County and at least one other Party are not willing to remain as Parties to this Agreement.

c. The participation of any Town as a Party to this Agreement shall terminate upon the provision by the Town to the County of a written notice of termination.

Section 12. Execution and Performance of Agreement in Accordance with Law. Each Party hereby represents to each other Party that it has adopted and executed this Agreement in accordance with applicable law. Each Party shall perform their respective obligations and expend any revenues derived hereunder in accordance with all applicable laws, rules and regulations, including but not limited to the Colorado MOU and this Agreement.

Section 13. Indemnification. All actions or omissions by any Party, including their respective representatives, employees, agents, volunteers or officials, shall be the sole responsibility of the respective Party. Accordingly, each Party shall fully indemnify, to the extent permissible under Colorado law, all other Parties for any damages, claims, costs, expenses, cause of action or liability of any manner, including without limit reasonable attorney's fees, arising out of or relating to the acts or omissions of such Party. The Parties understand and agree that liability for claims for injuries to persons or property arising out of the actions or omissions of any Party is controlled and limited by the provisions of the Colorado Governmental Immunity Act ("Immunity Act") title 24, article 10, Colorado Revised Statutes, as now or hereafter amended and that the Parties do not intend to waive by any provision of this Agreement the liability limitations or any other right, immunity or protection afforded by the Immunity Act or as may otherwise be afforded by law. The indemnity obligations of this Section shall survive the termination of this Agreement. Indemnity obligations of any designee of the County shall be governed by separate agreement.

Section 14. Dispute Resolution.

a. The Parties shall attempt to informally resolve all disputes and claims arising from or related to this Agreement, beginning first with discussions among affected Town(s) and County staff, and if not resolved, escalating to discussions between the applicable Town Manager(s) and County Manager, and ultimately to the Town Council(s) and Board of County Commissioners. Disputes with any designee of the County shall be governed by separate agreement.

b. Any and all disputes and claims arising from or related to this Agreement that are not resolved pursuant to Section (a), above shall thereafter be submitted to mediation. The affected Parties shall share equally the mediator's fees and costs associated with the mediation, and each Party shall pay its own fees, costs, and expenses related to the mediation. If the dispute is not resolved by mediation, any affected Party may commence a Court proceeding, with jurisdiction and venue residing exclusively in the Summit County District Court. Each Party waives its right to have such dispute decided by jury trial. The prevailing Party(s) shall be awarded its reasonable attorneys' fees, costs, and expenses, including any attorneys' fees, costs, and expenses incurred in collecting or executing upon any judgment, order, or award.

c. In the event that the County or a Town defaults in the performance of any of the duties and responsibilities under this Agreement, the non-defaulting Party shall be limited to the remedies of specific performance and mandamus. Prior to exercising such remedies, the non-defaulting Party shall give written notice to the other party of the nature of the claimed default and declare that such default must be cured within thirty (30) days from the date notice is given.

Section 15. Parties in Interest. Nothing expressed or implied herein is intended or shall be construed to confer upon any person other than the Parties any right, remedy or claim under or by reason of this Agreement, this Agreement being intended to be for the sole and exclusive

benefit of the Parties.

Section 16. No Personal Liability. No covenant or agreement contained in this Agreement shall be deemed to be the covenant or agreement of an elected or appointed official, officer, agent, servant or employee of any Party in his or her individual capacity.

Section 17. Notices. Except as otherwise provided in this Agreement, all notices or other communications by any Party shall be in writing, shall be given in a reasonable time and shall be deemed given when actually received. Notice to the Parties shall be given to the address listed on Exhibit B, attached and incorporated herein, and may also be delivered in electronic form by electronic mail to the addresses listed on Exhibit A.

Section 18. Severability. If any clause, provision, subsection, or Section of this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the Agreement shall be reformed to the extent necessary to reflect the intent and purpose of the original agreement or the Parties may terminate this Agreement.

Section 19. Interpretation. Because this Agreement is the result of mutual negotiation and drafting, in the event this Agreement is deemed to be ambiguous or vague, the Parties agree that the rule of construction that "ambiguities shall be construed against the drafter" shall not apply. In the event of any conflict between the Act, the Intergovernmental Relations Statute or any other law with respect to the exercise of any such power, the provision that permits the broadest exercise of the power consistent with the limitations set forth in this Agreement shall control. The laws of the State shall govern the construction and enforcement of this Agreement.

Section 20. Counterparts. This Agreement may be executed in any number of counterparts, each of which, when so executed and delivered, shall be an original; but such counterparts shall together constitute but one and the same Agreement. Electronic or scanned signatures shall be valid and acceptable for all purposes.

IN WITNESS WHEREOF, this Agreement has been executed by the Parties effective as of the date set forth above.
