## 3 Mountain Pines

"We appreciate the new walkability on the west side of Summit Blvd between Main St. and Hawn Drive."

"Great job and great to see this improvement. "

## 5 Summit Stage Transit Center

". . . The town should also improve paving of sections where pedestrian crosswalks exist - i.e. the Frisco Transfer Center and Whole Foods shopping center."

Suggests creating alternate pedestrian-only dirt paths to separate bikes from people on foot.

## 7 Timberline Cove

Resident states that **plowing creates a wall of snow that stops recreators in the area from utilizing trails around the lake.**

## 8 Mountain Meadows
