## GENERAL FUND

## REVENUE/EXPENDITURE SUMMARY

Traditional Town services are recorded in the General Fund. This summary is organized in the same format and order as the Annual Financial Statements. This design is intended to make it easier for the average user to compare the summary to results of operations as reported in the Annual Financial Statements. The following summary identifies actual and projected revenues and expenditures in past and future years. As is clearly indicated in the summary, sales tax continues to be the primary source of funding for the General Fund. In 2014, the Town revised its reserve requirement for the General Fund from a nine month reserve to a seven month reserve, based on prior year expenditures. Amounts in excess of this reserve are required to be transferred to the Capital Improvement Fund for capital projects.

## CAPITAL IMPROVEMENT FUND REVENUE/EXPENDITURE SUMMARY

Major capital projects are budgeted in the Capital Improvement Fund. By Town ordinance, any General Fund balance in excess of the required reserve is to be transferred to the Capital Improvement Fund. In 2020, however, the Town experienced economic uncertainties unlike any before as a result of the COVID-19 worldwide pandemic. As a result, Town Council chose to forego any transfer from the General Fund until a budget re-evaluation is completed in the $2^{\text {nd }}$ quarter of 2021. The other major revenue source for this fund is real estate transfer fees. Major capital projects are only those items costing $\$ 5,000$ or more. The summary below is organized in the same format and order as the Annual Financial Statements. This design is intended to make it easier for the average user to compare the summary to results of operations as reported in the Annual Financial Statements. There is no required reserve for this fund.

## WATER FUND REVENUE/EXPENDITURE SUMMARY

The Water Fund was established to finance and account for the acquisition, operation and maintenance of facilities, services and water rights associated with providing water to the Town. The primary revenue sources include user charges and water tap fees. In 2019, a water rate study was conducted and new rates and tier structure were implemented effective in the $3^{\text {rd }}$ quarter of 2019 . This fund has a four month required reserve; the projected 2021 fund balance far surpasses that requirement.

## OPEN SPACE FUND REVENUE/EXPENDITURE SUMMARY

The Open Space Fund was established by resolution in 2001 to acquire and maintain open space. The resolution further required an annual $\$ 300,000$ allocation from real estate investment fees. Since no funds have been expended from this fund since 2005, Council reduced the annual allocation to $\$ 100,000$ in 2008 . Since then, there have been no additional allocations to this fund. Since no projects have been identified for use of these funds, in 2010 Town Council approved a transfer from this fund for a recreation expansion project; in 2015 Council elected to transfer $\$ 100,000$ to the Capital Improvement Fund for capital projects. There is no required reserve for this fund.

## HOUSING FUND

## REVENUE/EXPENDITURE SUMMARY

On November 7, 2006, the voters of Summit County approved the Summit Combined Housing Authority (SCHA) Referred Measure 5A, which authorized a temporary (10 year) sales and use tax of $.125 \%$ and a development impact fee of two dollars or less per square foot of new construction to be used for affordable housing purposes. Subsequently, the Town of Frisco entered into an intergovernmental agreement with other area local governments to share these revenues. In 2015, this tax was extended in perpetuity. In 2016, Summit County voters approved an additional, temporary ( 10 years) $.6 \%$ sales and use tax to the existing sales tax, effective $1 / 1 / 17$, making the current tax rate $.725 \%$. In 2021 , this tax was extended in perpetuity. There is no required reserve for this fund.

## INSURANCE RESERVE FUND REVENUE/EXPENDITURE SUMMARY

The Insurance Reserve Fund was established by resolution in 2005 to establish an insurance reserve fund equivalent to six months' worth of insurance expenditures to cover substantial insurance claims and unforeseen increases in the cost of providing insurance. ## LODGING TAX FUND REVENUE/EXPENDITURE SUMMARY

The Lodging Tax Fund was established in 2004 to account for a new, voter-approved 2.35\% tax imposed upon lodging establishments. Expenditures are restricted to economic development, special events, advertising and marketing, recreation amenities, multi-purpose facilities and open space and similar uses. The decision as to the proportion of revenue to be allocated to any of these uses is determined by Council. Currently, the Information Center receives $45 \%$ of these revenues, $20 \%$ is allocated to marketing and economic development, $20 \%$ is to be used for recreation and the remaining $15 \%$ is allocated for operation and maintenance of recreation/tourism based Town facilities. In 2009, the Town assumed responsibility for the operations of the Information Center. There is no required reserve for this fund.

In 1994, the Town entered into a lease agreement with the City and County of Denver whereby the Town was granted the exclusive right to occupy and use certain real property and water surface at the Dillon Reservoir. The Marina Fund was established as an enterprise fund to account for the operations and maintenance of the marina. The major source of revenue for this fund comes from rentals of boats, slips and moorings. There is a four month reserve required for this fund.

*Development Review Accounts (DRA): A DRA is required to be established for certain applications as noted in the fee schedule. The DRA is used to cover the costs of legal, engineering, or other technical reviews and consultations incurred by the town during the review. All technical reviews will be billed at the consultants' established billable rate.

- $\$ 800$ minimum required to establish a Development Review Account
- $\$ 1500$ minimum required to establish a Development Review Account for large project development applications (as defined in Code Section 180-9.3 and below), PUDs, and Annexations.
Large Project: Any commercial or mixed-use project, occurring on a lot of 10,500 square feet or greater or occurring on a group of lots combined for a unified development project which contain a total lot area of 10,500 square feet or greater; or any residential development occurring on a lot of 21,000 square feet or greater or any development of 5 or more dwelling units.
The minimum balance must be maintained in the account during development review and final approval of the project. For the purposes of this provision, final approval means the issuance of a Certificate of Occupancy or the recording of the plat with the Summit County Clerk and Recorder's Office, or the final, non-appealable approval of other applications as set forth in the Frisco Town Code, Section 180-2.3.2D.
Within 120 days after final approval or after the date on which the application has given written notice that the development will not proceed, the Town shall determine the balance owed to the applicant, that amount being the amount deposited over the costs incurred, and return that amount to the applicant's address on file in the application.

Debt is defined as a liability that places a future contractual or other obligation against future revenues of the Town. This type of funding is restricted to capital improvements and is not to be used for current or annual operations. The following are summaries of the Town's debt as of the end of 2023.

The Town of Frisco issued Certificates of Participation (COPs) on May 25, 2002 in the principal amount of $\$ 2,500,000$ for the purpose of financing improvements to the Frisco Bay Lakefront Park and Marina, other parks and recreation projects and other capital improvements. The Town refunded the 2002 COPs at the par amount of $\$ 1,950,000$ (Series 2010A) and issued new Series 2010B COPs at the par amount of $\$ 2,500,000$, for a total of $\$ 4,450,000$, on June 11, 2010 for the purpose of financing the Frisco Adventure Park on Town-owned property known as the Peninsula Recreation Area (PRA). The tax-exempt refunded bonds have a true interest cost of $3.44 \%$ with final maturity of $12 / 1 / 2021$. The newly issued $2010 B$ bonds were taxable Build America Bonds with a true interest cost of $4.01 \%$ (after $35 \%$ subsidy) with final maturity of $12 / 1 / 2030$.

In 2017, the Town refunded the Series 2010B Build America Bonds at the par amount of $\$ 2,487,000$ and entered into a lease purchase agreement with a true interest cost of $2.62 \%$ and a final maturity of $12 / 1 / 2030$. Principal and interest payment dates for the lease purchase agreement are December 1 of each year. Payments made for these obligations are recorded in the Capital Improvement Fund, account numbers 20-2000-4333, 4334 and 4325.

The Town entered into a lease and purchase option agreement with First \& Main Frisco, LLC, on April 1, 2015, in the principal amount of $\$ 1,200,000$ for the purpose of purchase of a building located at First and Main in Frisco. Interest rate is $4 \%$ with annual payments of $\$ 100,000$ and final maturity on $1 / 1 / 2031$. Payments made for this obligation are recorded in the Capital Improvement Fund, account numbers 20-2000-4333 and 4334.

The Town issued Marina Enterprise Revenue Bonds on February 26, 2019, in the amount of $\$ 5,450,000$, for the purpose of expanding the Marina. Interest rate is $5 \%$ with final maturity December 1, 2048. Payments in 2019 and 2020 are interest only, with principal payments beginning 12/1/21. Payments for this obligation are recorded in the Marina Fund, account numbers 90-9000-4333 and 4334.

The Town issued Certificates of Participation on April 26, 2023, at the par amount of $\$ 6,350,000$, for the purpose of constructing Granite Park workforce housing. The true interest cost is $3.65 \%$ with final maturity December 1,2042 . Interest payment dates for the lease purchase agreement are June 1 and December 1 of each year; principal payments are due on December 1. Payments for this obligation are recorded in the Housing Fund, account numbers 55-5500-4333 and 4334.

Additionally, the Town leases its copiers and printers through Wells Fargo. These leases have staggered terms and are frequently replaced or renewed, dependent upon the Town's growing needs and changes in technology. The total amount owed annually on the existing leases is approximately $\$ 24,000$; this amount is not included on the debt schedule on the following page. Payments are made monthly and are recorded in the Capital Improvement Fund, account number 20-2000-4195.

## Legal Limits

Colorado State Statute limits the total amount of General Obligation debt to three percent (3\%) of the jurisdiction's actual property value. The Town of Frisco does not currently have any debt that is applicable to this margin. The leases are subject to annual appropriation and therefore are not categorized as long-term debt. The table below illustrates the computation of the Town's legal debt margin:

| Legal Debt Margin |  |
| :--- | ---: |
| Estimated Actual Value (determined by County Assessor) | $\$ 4,273,695,670$ |
| Debt Limit: $3 \%$ of Actual Value | $128,210,870$ |
| Amount of Outstanding Debt Applicable to Debt Limit: (Total Bonded Debt) | $\underline{0}$ |
| Legal Debt Margin | $\$ 128,210,870$ |
| Total Net Debt Applicable to Limit as a $\%$ of Debt Limit | $0 \%$ |
