# COVER LETTER

Town's Public Works Department  
102 School Road  
Frisco CO 80443

Project Number: 4131-002-05

Project Name: Tenmile Intake Structure, Pipeline, and Erosion Mitigation Improvements

Velocity Constructors, Inc. (VCI) has received and reviewed the Invitation for Bid for the Tenmile Intake Structure, Pipeline, and Erosion Mitigation Improvement Project located in Frisco, CO and are pleased to provide this attached Proposal. With more than four decades of experience, VCI has become a leader in the Rocky Mountain Region. Our extensive knowledge of Water and Wastewater Treatment Plants, Lift and Booster Pump Stations, Water Tanks, Wells, PRV Vaults, Water Vaults, and Pump/Utility Infrastructure Projects allows us to understand and anticipate the challenges you face. The VCI team is focused on delivering tangible value to your projects. Through comprehensive project analysis techniques, we target those areas that are most pressing, develop custom solutions and deliver quantifiable results.

We take pride in delivering cost-effective construction projects while providing the highest level of support and quality. The following proposal will demonstrate many of the attributes we believe you will find invaluable on your upcoming project. Some of these attributes include:

- Colorado-based firm of eighteen years VCI is based in Englewood; we are a local firm with local personnel and other established relationships in Colorado that will assist in the success of the proposed project as well as the added benefit to respond quickly and effectively to emergency situations.
- An in-depth knowledge of the industry and current technology VCI is a firm that specializes in the construction and upgrades of water and wastewater treatment facilities, lift and booster pump stations, water tanks, wells, PRV vaults, water vaults and pump/utility infrastructure projects; primarily in Colorado and often at plants that need to remain operational. This knowledge provides our project partners with experience specifically related to process facilities. We understand how and why these facilities need to function and what it takes to construct each element to deliver quality and longevity to the owner while maintaining operation of the plant.
- Focused team, with the proven ability to deliver quality, innovative and cost-effective solutions. The members of our proposed key staff have the highest level of integrity and a demonstrated history of proactively addressing constructability issues, providing cost-effective and efficient solutions from design to start-up and commissioning.

We trust you will find the enclosed documents demonstrate that our team has the experience and ability to successfully complete your project. We thank you for the opportunity and are excited for the possibilities.

Sincerely,  
Velocity Constructors, Inc.

Robert Rogstad  
Vice President

**00 41 00 - BID FORM**  
**(REVISED PER ADDENDUM 2)**

**TABLE OF CONTENTS**

ARTICLE 8 – Defined Terms .....	4
ARTICLE 9 – Bid Submittal.....	5

**ARTICLE 1 – BID RECIPIENT**

1.01 This Bid is submitted to:  
Town of Frisco  
102 School Road  
Frisco, CO 80443

1.02 The undersigned Bidder proposes and agrees, if this Bid is accepted, to enter into an Agreement with Owner in the form included in the Bidding Documents to perform all Work as specified or indicated in the Bidding Documents for the prices and within the times indicated in this Bid and in accordance with the other terms and conditions of the Bidding Documents.

**ARTICLE 2 – BIDDER’S ACKNOWLEDGEMENTS**

2.01 Bidder accepts all of the terms and conditions of the Instructions to Bidders, including without limitation those dealing with the disposition of Bid security. This Bid will remain subject to acceptance for 60 calendar days after the Bid opening, or for such longer period of time that Bidder may agree to in writing upon request of Owner.

**ARTICLE 3 – BIDDER’S REPRESENTATIONS**

3.01 In submitting this Bid, Bidder represents that:

A. Bidder has examined and carefully studied the Bidding Documents, and any data and reference items identified in the Bidding Documents, and hereby acknowledges receipt of the following Addenda:

<u>Addendum No.</u>	<u>Addendum Date</u>
<u>Addendum #1</u>	<u>07/02/2021</u>
<u>Addendum #2</u>	<u>07/13/2021</u>

B. Bidder has visited the Site, conducted a thorough, alert visual examination of the Site and adjacent areas, and become familiar with and satisfied itself as to the general, local, and Site conditions that may affect cost, progress, and performance of the Work.

C. Bidder is familiar with and has satisfied itself as to all Laws and Regulations that may affect cost, progress, and performance of the Work.

D. Bidder has carefully studied all: (1) reports of explorations and tests of subsurface conditions at or adjacent to the Site and all drawings of physical conditions relating to existing surface or subsurface structures at the Site that have been identified in the Supplementary Conditions, especially with respect to Technical Data in such reports and drawings, and (2) reports and drawings relating to Hazardous Environmental Conditions, if any, at or adjacent to the Site that have been identified in the Supplementary Conditions, especially with respect to Technical Data in such reports and drawings.

E. Bidder has considered the information known to Bidder itself; information commonly known to contractors doing business in the locality of the Site; information and observations obtained from visits to the Site; the Bidding Documents; and any Site-related reports and drawings identified in the Bidding Documents, with respect to the effect of such information,

**00 91 13 - ADDENDA**  
**ADDENDUM NO.   1**

---

Date: July 2, 2021

Issued To: Plan Holders

From: Plummer Associates

Project: Tenmile Intake Structure, Pipeline, and Erosion Mitigation Improvements

---

This Addendum forms a part of the Contract for the project above. The original Contract Documents and any prior Addenda remain in full force and effect except as modified by the following which shall take precedence over any contrary provisions in the prior documents.

Each Bidder shall acknowledge receipt of this Addendum by affixing his signature below, by noting this Addendum on his Bid Form and attaching this Addendum acknowledgment page to his Bid.

---

The undersigned acknowledges receipt of this Addendum and the Bid submitted is in accordance with information, instructions and stipulations set forth herein.

observations, and documents on (1) the cost, progress, and performance of the Work; (2) the means, methods, techniques, sequences, and procedures of construction to be employed by Bidder; and (3) Bidder's safety precautions and programs.

- F. Bidder agrees, based on the information and observations referred to in the preceding paragraph, that no further examinations, investigations, explorations, tests, studies, or data are necessary for the determination of this Bid for performance of the Work at the price bid and within the times required, and in accordance with the other terms and conditions of the Bidding Documents.
- G. Bidder is aware of the general nature of work to be performed by Owner and others at the Site that relates to the Work as indicated in the Bidding Documents.
- H. Bidder has given Engineer written notice of all conflicts, errors, ambiguities, or discrepancies that Bidder has discovered in the Bidding Documents, and confirms that the written resolution thereof by Engineer is acceptable to Bidder.
- I. The Bidding Documents are generally sufficient to indicate and convey understanding of all terms and conditions for the performance and furnishing of the Work.
- J. The submission of this Bid constitutes an incontrovertible representation by Bidder that Bidder has complied with every requirement of this Article, and that without exception the Bid and all prices in the Bid are premised upon performing and furnishing the Work required by the Bidding Documents.

#### **ARTICLE 4 – BIDDER'S CERTIFICATION**

4.01 Bidder certifies that:

- A. This Bid is genuine and not made in the interest of or on behalf of any undisclosed individual or entity and is not submitted in conformity with any collusive agreement or rules of any group, association, organization, or corporation;
- B. Bidder has not directly or indirectly induced or solicited any other Bidder to submit a false or sham Bid;
- C. Bidder has not solicited or induced any individual or entity to refrain from bidding; and
- D. Bidder has not engaged in corrupt, fraudulent, collusive, or coercive practices in competing for the Contract. For the purposes of this Paragraph 4.01.D:
  - 1. "corrupt practice" means the offering, giving, receiving, or soliciting of any thing of value likely to influence the action of a public official in the bidding process;
  - 2. "fraudulent practice" means an intentional misrepresentation of facts made (a) to influence the bidding process to the detriment of Owner, (b) to establish bid prices at artificial non-competitive levels, or (c) to deprive Owner of the benefits of free and open competition;
  - 3. "collusive practice" means a scheme or arrangement between two or more Bidders, with or without the knowledge of Owner, a purpose of which is to establish bid prices at artificial, non-competitive levels; and
  - 4. "coercive practice" means harming or threatening to harm, directly or indirectly, persons or their property to influence their participation in the bidding process or affect

the e execution of the Contract.

**ARTICLE 5 – BASIS OF BID**

5.01 Bidder will complete the Work in accordance with the Contract Documents for the following price(s):

Item No.	Description	Unit	Estimated Quantity	Bid Unit Price, \$	Bid Price, \$
1	Bonding, Mobilization, and Insurance	LS	1		40,097 <sup>00</sup>
2	Geotechnical Allowance	LS	1	\$30,000	\$30,000
3	Survey Allowance	LS	1	\$5,000	\$5,000
4	Temporary Fencing and Trail Signage	LS	1		10,553 <sup>00</sup>

**COLORADO BID BOND**

BOND NO. Bid Bond  
AMOUNT OF BOND: \$ 5%

KNOW ALL MEN BY THESE PRESENTS, that Velocity Constructors, Inc., hereinafter called the PRINCIPAL, and Western Surety Company, a corporation duly organized under the laws of the State of South Dakota, having its principal place of business at 151 N. Franklin St., Chicago, IL 60606 in the State of Illinois, and authorized to do business in the State of Colorado, as SURETY, are held and firmly bound unto the Town of Frisco, hereinafter called the OBLIGEE, in the sum of Five Percent (5%) of Amount Bid DOLLARS (\$ 5%), for the payment of which we bind ourselves, our heirs, executors, administrators, successors, and assigns, jointly and severally, firmly by these presents as follows:

THE CONDITION OF THIS BOND IS SUCH THAT:

WHEREAS, the PRINCIPAL is herewith submitting his Bid for:

(A) The Tenmile Intake Structure, Pipeline, and Erosion Mitigation Improvements Work includes, but not limited to, the following:

1. Procurement and Installation of new 12- inch PVC C900 water line.
2. Locating and removing existing 12-inch RCP water line.
3. Retrofitting of intake structure including new FRP access hatch and radiant heater.
4. Retrofitting of existing low flow notch in North Tenmile Creek with new trapezoidal flume.
5. Dredging of the North Tenmile Creek in the vicinity of the intake structure.
6. Installation of grouted boulder wall at the intake structure and at the water storage tank.
7. Construction of all-weather access road.
8. Electrical, and instrumentation and controls work including installation of electrical conduits from Wayne Bristol Water Treatment Plant to the intake structure.

said Bid, by this reference thereto being hereby made a part hereof; and

WHEREAS, the OBLIGEE has required as a condition for receiving said Bid that the PRINCIPAL furnish the OBLIGEE with security as provided herein;

NOW, THEREFORE, if the PRINCIPAL shall, within sixty (60) days after Bid Opening:

(A) On the prescribed forms presented to him for signature, enter into a written Formal Contract with the OBLIGEE in accordance with his Bid as accepted, give Performance and Payment Bonds with good and sufficient Surety or Sureties as is required upon the forms prescribed in the Contract Documents, and deliver the certificates of insurance required by the Contract Documents, or

(B) Pay to the OBLIGEE the said sum of this bond as liquidated damages, and not as a penalty,

THEN, this obligation shall be void and of no effect; otherwise to remain in full force and effect.

Signed and sealed this 15th day of July, 20 21.

00 45 19 – AFFIDAVIT OF NON-COLLUSION

TO BE EXECUTED BY EACH AWARDEE OF A PRINCIPAL CONTRACT:

I, Robert Rogstad, being first duly sworn, deposes and says that they are  
Vice President of Velocity Constructors, Inc.  
(sole owner, a partner, president, etc.)

the party making the foregoing bid; that such a bid is not made in the interest of or on behalf of any undisclosed person, partnership, company association, organization, or corporation; that such a bid is genuine and not collusive or sham; that said bidder has not directly or indirectly induced or solicited any other bidder to put in a false or sham bid, and has not directly or indirect colluded, conspired, connived, or agreed with any bidder or anyone else to put in a sham bid, nor that anyone shall refrain from bidding; that said bidder has not in any manner, directly or indirectly, sought by agreement, communication, or conference with anyone to fix the bid price of said bidder or of any other bidder, nor to fix any overhead, profit, or cost element of such bid price, nor of that of any other bidder, nor to secure any advantage against the public body awarding the contract or anyone interested in the proposed contract; that all statements contained in such bid are true; and, further, that said bidder has not directly or indirectly, submitted his bid price or any breakdown thereof, nor the contents thereof, nor divulged information or data relative thereto, nor paid and will not pay fee in connection therewith to any corporation, partnership, company, association, organization, bid depository, nor any member or agent thereof, nor any to any other individual except to such person or persons as have a partnership or other financial interest with said bidder in his general business.

00 45 20 - AFFIDAVIT OF LAWFUL PRESENCE IN THE UNITED STATES

(NOTE: In the case of a Corporation, LLC, or Partnership, the live person signing the Agreement is the person to sign this Affidavit.)

I, Robert Rogstad, swear or affirm under penalty of perjury under the laws of the State of Colorado that (check one):

I am a United States citizen or legal permanent resident.

I am lawfully present in the United States pursuant to Federal law. [Note: If this box is checked, the individual's lawful presence must be verified through the Systematic Alien Verification of Entitlement ("SAVE") Program operated by the U. S. Department of Homeland Security. Until such verification is made, this Affidavit may be presumed proof of lawful presence for purposes of Section 24-7.5-103, C.R.S.].

I understand that this sworn statement is required by Section 24-76.5-103(4)(b), Colorado Revised Statutes, because I have applied for a public benefit. I understand that state law requires me to produce proof that I am lawfully present in the United States prior to receipt of this public benefit. I understand such proof is limited to:

- i) A valid Colorado driver's license or Colorado identification card issued pursuant to Article 2 of Title 42, C.R.S.;
- ii) A United States military card or a military dependent's identification card;
- iii) A United States Coast Guard Merchant Mariner Card; or
- iv) A Native American tribal document.

I further acknowledge that making a false, fictitious, or fraudulent statement or representation in this sworn affidavit is punishable under the criminal laws of Colorado as perjury in the second degree under Section 18-8-503, Colorado Revised Statutes, and it shall constitute a separate criminal offense each time a public benefit is fraudulently received.

## COMPANY INFORMATION

Velocity Constructors, Inc. (VCI) is a general construction company specializing in Water and Wastewater Treatment Plants, Lift and Booster Pump Stations, Water Tanks, Wells, PRV Vaults, Water Vaults, and Pump/Utility Infrastructure Projects. Incorporated on April 4, 2002, as a Construction Firm by Grant Dunkle-President and Robert Rogstad-Vice President. VCI has grown to an award-winning business comprised of 60+ individuals ranging from salesman, estimators, safety and quality managers, site superintendents, project managers, project engineers, site supervisors, foreman, and craft personnel who provide a broad range of construction services.

With core strengths in consulting, engineering, and construction services, VCI excels in providing technical services in the engineering, construction, equipment installation, renovation, and demolition areas. VCI provides consulting, and engineering support to numerous cities, state agencies and a variety of private clients.

VCI has developed and implemented a mature health and safety program that is understood and supported by the entire company. Our health and safety professionals have developed and implemented health and safety plans for city and private clients and routinely conduct health and safety audits of our projects, review and approve all project safety and health plans, and interact with regulatory and client health and safety counterparts. VCI is a customer-oriented firm and we pride ourselves in the relationships we foster with our customers and the quality services we perform. Our clients have recognized VCI for our outstanding services and

quality management. Our commitment to providing

### OUR CAPABILITIES

- Extensive experience supporting Operation and Maintenance Projects in public and private sectors.
- The ability to develop and deliver high quality services, regardless of tight deadlines, budget and or project demands.
- Proficiency in using internal management practices and system that guarantee efficient and cost-effective response to client's needs.
- In depth day-to-day facility operations knowledge.
- General Contracting & Management
- Pre-construction Planning
- Design-Build Solutions
- Design-Assist Delivery
- Conceptual Estimating, Strategic Planning
- Value Engineering, Research & Options
- Constructability Reviews
- Building Assessments
- Permit Processing and Expediting
- Complete Project Scheduling
- Sustainable Construction & Administration
- Safety Protocols
- Site & Infrastructure Improvements,
- Utilities, Roads, Site Development
- New Buildings, Facades, Renovations, and Interiors

### OUR SERVICES

- Water & Wastewater Facilities
- Water Collection & Treatment Systems
- Pumping Facilities
- Structural Concrete
- Excavation
- Building Construction & Restoration
- Wet and Dry Utilities
- Water and Wastewater Equipment Repair

technical excellence and outstanding professional service in a timely and cost-efficient manner has resulted in satisfied customers.

### Recent Experience

VCI specializes in the construction of large municipal water and wastewater treatment plants including pumping stations, power generation, reverse osmosis,

# COMPANY INFORMATION

and membrane softening, grit removal, high service pumps stations, filtration, underground piping systems, oxygen generation, chlorine contact basins, nanofiltration, odor control systems, aeration basins, clarifiers, and lift stations.

Some of our recent construction services on infrastructure projects is as follows:

- Non-Potable Pond Pump Station Project
- Brownell Waterline Replacement Project
- Forest Lakes Water Intake and Treatment Plant Project
- Barefoot Lakes Inlet Structure
- Well #7 PRA Improvements
- Ridgeway Line Rueter-Hess WISE Infrastructure Project

## ▪ Dillion Water Tank Project

The following personnel will be a part of the Tenmile Intake Structure, Pipeline, and Erosion Mitigation Improvements Project. Resumes for Program Manager, Project Manager and Project Superintendent have been provided within this section.

- Program Manager, John Jacob
- Project Manager, Dan Harrington
- Project Superintendent, Brian Brockopp

VCI's primary contact for this project will be Dan Harrington, Project Manager, Phone: 303-974-3860, Email: [dharrington@velocityci.com](mailto:dharrington@velocityci.com)

---

## Organization Structure

The following organizational structure represents a typical project organizational chart.

# JOHN JACOB

## Program Manager

### EXPERIENCE SUMMARY

John has been with VCI for over 7 years and has 19 years of construction experience. John's success has been as program manager responsible for projects ranging from \$10k to \$35M in value. Contract delivery methods vary from Design-Build, CMAR, Competitive Bid, and Negotiated. John works with owners, design consultants, contractors, and field staff and develop the planning and execution of schedules. Skills include the development and administration of all cost estimates and fiscal controls, obtaining permits, development of project scopes of work, and project budgets while negotiating contracts and quality control provisions and cost reporting. Integrates scope of work development with budget and schedule preparation. Estimated projects in value of \$5M to \$35M.

### TRAINING & CERTIFICATIONS

Microsoft Word & Excel, SureTrak, Primavera P3, Spectrum Accounting, Timberline, OSHA 10 Hour, State of Colorado Water and Wastewater Facility Operators Certificate in Class C Industrial Wastewater license, CPR and First Aid certified.
