1	This feature of downtown Frisco provides both residents and visitors opportunities to explore Main Street businesses and restaurants in a casual, festive atmosphere.	10/13/2021 11:46 AM
2	The "Promenade" is fine, just don't detour all of the traffic down Granite St.; that is a residential street. I live on the corner of Granite and 6th Avenue and have seen, one wreck and several close encounters and many people speeding way too fast on Granite. There are a lot of pedestrians I see walking and/or riding bicycles down 6th Ave. and have to cross Granite. Some one is going to get hurt. You need to not detour all of this traffic down Granite; it does not make me want to live here.	10/13/2021 11:31 AM
3	First it needs to be different. There is to little utilization of the Main Steet. The parking should be available to all businesses for use in front of their building for restaurants, merchandise displays etc. The street should be open to cars and bike and sidewalk to pedestrians. make it more active and less sleepy	10/13/2021 9:12 AM
4	We shopped more, went out to dinner more and were able to be responsibly social (outdoors) with friends, family and community. As a family with children, I feel the promenade makes it more safe for the kids to socialize without cars in that are without cars and traffic sometimes barreling through.	10/13/2021 7:53 AM
5	It's greatly decreased MY store's pedestrian traffic. My store's clientele tends to be on the older side and we lost 14(?) handicapped parking spots throughout main. I also live directly on main and we've noticed that there are more speeders down the alleyways when main is closed and literally NOTHING had been done to combat that.	10/12/2021 4:41 PM
6	We like the atmosphere on main with the promenade, however too much traffic on Granite, need another route across town.	10/12/2021 1:40 PM
7	Too much traffic on Granite including loud trucks	10/11/2021 8:05 AM

Frisco Pedestrian Promenade Survey

8	We enjoy the added outdoor seating and traffic free Main Street.	10/10/2021 6:06 PM
9	Too many disruptions to some businesses. Large loss of parking on Main St. Puts too much traffic on Granite. Focus more on essential services.	10/10/2021 3:29 PM
10	The Promenade is great for the businesses w/in the Prom zone but has been proven to take business away from those establishments outside the zone.	10/10/2021 2:58 PM
11	I liked having outdoor option.	10/9/2021 10:15 AM
12	the traffic impact to granite street residents is too much compared to the benefits of the promenade	10/9/2021 9:08 AM
13	Lack of Parking	10/8/2021 6:15 PM
14	It creates an invaluable experience to tourists, will almost guarantee their return, and gives Frisco that small town feel. It also creates a more safe environment for everyone involved.	10/8/2021 2:17 PM
15	If construction is complete then Yes, I would like the promenade to return. With the construction, the traffic and parking got to be too much for business guests.	10/8/2021 7:57 AM
16	It makes Main Street so much fun!	10/7/2021 9:07 PM
17	I feel like, especially based on sales tax numbers, there is an unfair "advantage" for those in a highlighted, Town promoted space. In addition, the parking is AWFUL when the Promenade is up.	10/7/2021 9:05 PM
18	Love walking downtown without worrying about traffic. Also prefer outdoor seating at the restaurants.	10/7/2021 8:59 PM
19	We are property owners but spend about 50% of our time in Frisco. The promenade really activates downtown and when our friends come visit, it makes it easier and more fun to spend time and money on Main Street.	10/7/2021 7:54 PM
20	I like it but it also sends too much traffic down my street and I know it causes some issues for some businesses on Main.	10/7/2021 7:19 PM
21	It makes for a very pleasant vibe on Main Street. Parking has not been a problem for us.	10/7/2021 6:28 PM
22	It promotes a sense of community. I also think it makes Main Street more festive.	10/7/2021 1:52 PM
23	The businesses were creative in the uses to which the street space was put, making it fun and much more pedestrian friendly.	10/7/2021 1:30 PM
24	Great way for our local businesses to succeed.	10/7/2021 1:29 PM
25	Bad for traffic flow/congestion and only serves certain businesses	10/7/2021 1:14 PM
26	It seems more like a town community then when cars go up and down the street and it feels a little safer.	10/7/2021 12:24 PM
27	I like being able to walk down the street and dine outside. Also makes the town look less congested on weekend. Allows people to shop and dine in a much more peaceful setting	10/7/2021 10:36 AM
28	It's just awesome... love sitting and walking outside in the summer up here.	10/7/2021 8:07 AM
29	I think it is good for the restaurants and businesses. Helps them offer better Happy Hour and restaurant prices.	10/6/2021 9:29 PM
30	Depends on COVID-19. Probably not needed if everyone can go into restaurants and no more social distance needed.	10/6/2021 9:12 PM
31	Promotes community feel. Love the outdoor dining. Gives Frisco a friendly vibe.	10/6/2021 8:20 PM
32	Gives a festive atmosphere	10/6/2021 8:17 PM
33	Makes eating and shopping much easier and pleasant.	10/6/2021 7:50 PM
34	I like it! Like having more shopping and restaurants outdoors	10/6/2021 7:38 PM
35	It's an unnecessary route for vehicles and makes for a pleasant pedestrian/diner experience.	10/6/2021 5:22 PM
36	The Promenade is awesome. Great way to have a fun, small town experience. Love the	10/6/2021 5:21 PM

outdoor dining and music with no vehicle traffic.

37	Enhance sense of community for commerce and pedestrian benefits.	10/6/2021 5:02 PM
38	We like the extra decks and sitting outside especially, and would support doing that even if the street is left open for vehicles.	10/6/2021 4:52 PM
39	Not a big fan of it, but it was good during the pandemic and it really was most helpful for restaurants. Retail stores do not get anywhere near the traffic that a restaurant gets so it is silly to have parklets for retailers especially clothing stores. The clothing stores that put out merchandise on the parklets made the Promenade look REALLY TACKY and gave it a look of a flea market or garage sale. The retail merchandise made the town look like a cheap tourist carnival setting. It's not like retailers have dozens of customers coming in their stores so they need more room to show their merchandise outside, and then some put up unsightly canopy tents which looked like a cheap tourist trap atmosphere. .	10/6/2021 4:11 PM
40	My business experienced the busiest summer we've ever had and we heard a lot of positive feedback from our customers.	10/6/2021 4:04 PM
41	I think it's a great addition to the community	10/6/2021 3:49 PM
42	A welcome break from a car, truck, and camper Main Street. It's the one time of year everyone is out and we should encourage walking.	10/6/2021 3:38 PM
43	We enjoy the atmosphere/ being outside. We dine out more because of additional outdoor space.	10/6/2021 3:07 PM
44	The promenade gives a very friendly and cool vibe to Frisco And it was done exceptionally well.	10/6/2021 2:57 PM
45	atmosphere	10/6/2021 2:52 PM
46	It allows for a safe pedestrian experience and atmosphere .	10/6/2021 2:38 PM
47	Its a great feature, adds to the feel of main street	10/6/2021 2:27 PM
48	I thought it was a fun way to celebrate summer in Frisco. Liked the open games and people hanging out on the street.	10/6/2021 2:14 PM
49	I think it just really adds to the atmosphere and makes Main Street more walkable and festive	10/6/2021 2:07 PM
50	I believe that it has perhaps outlived usefulness in current form. While the leisurely pedestrian driven shopping experience may remain useful, the signage and wayfinding lighting needs a new image. The detour signage and the public parking array is not attractive and warrants a redesign.	10/6/2021 1:57 PM
51	We enjoy the public square aspect of it	10/6/2021 1:48 PM
52	I think it's overkill. We don't mind the 'parklets' in front of some businesses, but closing the street is too much and really not necessary. It wasn't nearly as popular this year as it was in 2020. Keep the street open. My husband's input: promenade is highly inconvenient.	10/6/2021 1:26 PM
53	We already do not have enough parking in frisco and the promenade takes even more away. This also causes more traffic than granite st can handle. I have had so many close calls due to people thinking the intersection of 2nd/granite is a 4-way stop.	10/6/2021 12:43 PM
54	As a resident, I found it pretty challenging to get down Main street and around the promenade. The question is: did it produce enough extra business for those businesses on Main Street to warrant the crazy inconvenience of trying to get to those businesses. The off Main street parking was creative but it made the walk to downtown that much longer. As a resident where I would have gone out to dinner at the restaurants on the promenade but didn't because of the parking and walking. Then all the traffic on Granite made it a long journey down the street. At the stop signs on Granite, the allowed parking on the cross street was too close to the corner to easily see if a car/bike/pedestrian was coming. When the promenade was removed I saw as many people on the outside eating spots as before. Biking down Main street was also a challenge. People wandering around without watching out. So one saw most people sitting at the chairs and walking down the sidewalks verses in the middle of the closed streets. 4th of July parade. Well that was less then thrilling in my humble opinion. It may be that you are interested in limiting the number of people here for the 4th. There was little attraction for me to	10/6/2021 11:57 AM

Frisco Pedestrian Promenade Survey

invite my friend up for the 4th activities. The Marina was dead, the parade of little interest and the music not impressive. We did go mtn biking. The peninsula is great and getting better.

55	I like the Promenade - it helps make Frisco special.	10/6/2021 11:34 AM
56	Main Street should be closed to traffic all the time	10/6/2021 11:25 AM
57	Keep the "parklettes" to allow for more outdoor seating but open the street back up	10/6/2021 11:24 AM
58	It offers opportunities for outside dining, store merchandise display, ease of walking around. It also makes things feel calmer in Main Street. I do think you need better signage about bicycles on sidewalks.	10/6/2021 11:23 AM
59	Maybe just the parklets? Seems like most restaurants were understaffed and stretched thin with the addition of street seating.	10/6/2021 11:20 AM
60	IT BLOCKS LIFE IN OUR TOWN! TO TRAVERSE TOWN YOU MUST FIND 'ALTERNATE ROUTES,' POST OFFICE AND GETTING TO BUSINESSES IN THE PROMENADE AREA, IS REALLY STRESSFUL. PARKING IS INADEQUATE FOR MAIN STREET, AND THE PROMENADE MAKES IT SO MUCH WORSE. OUR TOWN IS ABOUT SO MUCH MORE THAN THE BAR ATMOSPHERE, SPILLING OUT ONTO THE STREETS. FRISCO DOES NOT NEED TO GIVE SPACE TO THESE BUSINESSES, AND TAKE AWAY CONVENIENCE AND CAUSE COMPLICATIONS FOR OTHERS. PLEASE LOOK AT THIS FROM MORE THAN THE NEED OF A 'CUTSY' AREA ON MAIN. FRISCO BUILT SIDEWALKS AND ON STREET PARKING FOR THE CONVENIENCE OF OUR LOCALS AS WELL AS VISITORS. COMMON SENSE NEEDS TO COME INTO PLAY. ALL BUSINESSES AND PATRONS NEED TO BE CONSIDERED. OUR TAXES DO NOT NEED TO PROVIDE 'CERTAIN' ESTABLISHMENTS WITH 'FREE PERCS'. BUSINESS OWNERS KNEW WHEN THEY STARTED IN THEIR LOCATION, HOW MUCH SPACE WAS THERE TO USE, THE 'GIFT' OF SPREADING INTO THE STREET WAS NOT IN THE PLAN, AND NEEDS TO BE DISCONTINUED ASAP, OR YESTERDAY!!!! IT SERVED IT'S PURPOSE, TIME TO STOP IT!	10/6/2021 11:18 AM
61	It was wonderful to walk or bike ride thru town with out cars.	10/6/2021 11:17 AM
62	It opens up main street to many more people and makes Frisco and more friendly and enchanting place to visit.	10/6/2021 11:13 AM
63	It was amazing and loved by us and all of our guests. I felt safe walking, running, and biking.	10/6/2021 11:02 AM
64	Very inviting and friendly - it was fun to take our guests down there	10/6/2021 10:54 AM
65	Community feel; Loved it!	10/6/2021 10:53 AM
66	Nice use of natural outdoor space, especially for dining. Friendly for dogs. (I might add that I couldn't find a trash bin anywhere. Was this intentional?)	10/6/2021 10:45 AM
67	Did not use it personally, but like Main St being more protected for pedestrian and bike travel. Got used to bypassing in a car. Feels like a German platz.	10/6/2021 10:39 AM
68	For the last 19 summers, my family has lived in Frisco. The promenade creates a very family friendly feel for Frisco while allowing people to walk openly to shops and restaurants. I like how it is only a few blocks that are affected yet it creates a new vibe for the town.	10/6/2021 10:31 AM
69	Hate the detour traffic on my street	10/6/2021 10:30 AM
70	My business is off-main street and the promenade brought detriment to my operations by keeping people from wanting to explore the spaces that aren't main street and then occupying the parking in front of our space. Please don't do this again.	10/6/2021 10:05 AM
71	It promotes a healthier and safer (sans traffic) outdoor atmosphere in our downtown area that is able to be enjoyed by all individuals including children, the elderly, and those requiring accessibility.	10/6/2021 9:56 AM
72	Lack of business for downtown merchants... I like the idea and its fun to walk up and down main street but it is hurting the merchants.	10/6/2021 9:45 AM
73	Love the ability to walk Main St without traffic. It's such a great atmosphere with all of the dogs and kids able to socialize freely. Even before the promenade, Frisco seemed to close Main St. almost every weekend in the summer and we always looked forward to it!	10/6/2021 9:44 AM

Frisco Pedestrian Promenade Survey

74	I like the openss of the street for foot traffic. I'm not sure how we can handle the BBQ. Maybe move it to the Marins	10/6/2021 9:36 AM
75	It provides a relaxing, community oriented environment. We have spent more time and money in downtown Frisco due to the promenade. It gives us a reason to stroll and sip and shop in safety and relaxation than if the street was open.	10/6/2021 9:32 AM
76	I think it makes Main Street extremely user friendly, gives it a great vibe and drives revenue.	10/6/2021 9:30 AM
77	Great option for businesses and pedestrians :)	10/6/2021 9:29 AM
78	It seems to animate the downtown with minimal negative impacts. Main impact is that there is no parking in front of Rocky Mountain Roasters.	10/6/2021 9:26 AM
79	Need to figure out traffic on Granite. Too busy and dangerous.	10/6/2021 9:24 AM
80	Having main street blocked off impedes travel through and around town.	10/6/2021 9:17 AM
81	I enjoyed the feel of the downtown with the Promenade during the summer. It makes for a fun, unique mountain experience.	10/6/2021 9:08 AM
82	Unique experience for tourists. Longer time spent on Main equals more money spent there.	10/6/2021 9:01 AM
83	Enjoy the summer months outdoors	10/6/2021 8:41 AM
84	I'd like to see the Pedestrian Promenade as a permanent, year-round feature. Look at Strøget in Copenhagen, Denmark, as an example. Furthermore, I'd like to see it extended to include more blocks.	10/6/2021 8:39 AM
85	It creates an attractive setting for people to gather taking in the best features of Frisco, the mountains, the summer weather, and the local restaurants and business in a pedestrian safe environment. It must be balanced with the economic interests of the local businesses impacted by it, but the expanded outdoor seating for restaurants has been a great improvement.	10/6/2021 8:20 AM
86	I think that it pushes too much traffic on the side roads. Not sure that it brings a lot more business to the town and to the businesses.	10/6/2021 8:15 AM
87	It's great to stroll the streets and dine/shop outside.	10/6/2021 8:03 AM
88	Best Summer of Retail sales in 30 years of business on Main Street	10/6/2021 7:53 AM
89	We live on Granite Street and even with the extra traffic by the house we really enjoy the promenade, especially eating outside in the evening.	10/6/2021 7:41 AM
90	We visit every summer. Love being able to walk down the street and not worry about traffic, seeing all the people out enjoying the local shops and restaurants, the games and activities. It's just a fun, cool atmosphere. As a visitor, we look forward to it every year!	10/6/2021 7:23 AM
91	Promotes community with outdoor seating, stopping and talking on the street. Safety for pedestrians, and not overcrowding on sidewalks.	10/6/2021 7:17 AM
92	The promenade gives an added seller of community to Frisco. Families are able to stroll Main Street in safety. Families on bikes are safer without cars backing out of spaces. Locals are able to socialize safely in the outdoors, while eating and drinking. Visitors love the promenade.	10/6/2021 7:09 AM
93	Puts too much traffic on side streets and takes away parking.	10/6/2021 6:44 AM
94	I live on the corner of 3rd and Granite and I don't like the incrased traffic	10/6/2021 6:21 AM
95	It's magical	10/6/2021 6:14 AM
96	We have visited Frisco for our summer vacation for the last four years and we love the promenade. It's so beautiful at night with all the lights and it is nice to be able to walk down Main Street and cross the street without worrying about cars. We have children and they really enjoyed all the activities that were set out this year.	10/6/2021 5:21 AM
97	The outside seating is wonderful. The pedestrian area is welcoming to visitors and semi - residents.	10/6/2021 5:14 AM
98	It has had a negative impact on sales for our business	10/6/2021 2:45 AM

Frisco Pedestrian Promenade Survey

99	fun - enhanced community	10/6/2021 2:40 AM
100	Limits parking and unfairly effects off Main Street business	10/6/2021 2:19 AM
101	Major loss of parking. Emergency access limitations. Bikers/dog walkers don't shop. Granite Street is overrun. Unfair advantage for businesses in promenade. Outside businesses bear burden of being parking lots for food courts. If choosing this unfair advantage for certain businesses, parklets can still stay but shop/restaurant owners need to be assessed major extra fees or taxes at 29% for square footage of public property used all summer.	10/6/2021 2:09 AM
102	I think it amplifies the character of downtown Frisco.	10/6/2021 1:50 AM
103	I think it added a positive aspect to Main St encouraging people to linger and socialize	10/6/2021 1:29 AM
104	Adds a unique summer aspect to Frisco that other mountain towns are not providing. I think that draws visitors to town.	10/6/2021 1:10 AM
105	It creates a car free place for people to gather and socialize. It also provides much more outdoor seating for restaurants.	10/6/2021 12:56 AM
106	It's such a great way to experience main st	10/6/2021 12:26 AM
107	Its awesome. It establishes a slower, more communal place without the concern of dangerous vehicles.	10/5/2021 11:55 PM
108	It is a great way to visit Frisco restaurants and shops. The street parking isn't an issue.	10/5/2021 11:53 PM
109	It's boring, all that fills Main Street is real estate offices and a few restaurants.	10/5/2021 11:16 PM
110	It made it feel like a real town that lives and breaths and loves the outdoors, rather than a drive through access to other mountain resorts	10/5/2021 10:21 PM
111	It was helpful during COVID restrictions but causes a lot of hassle for residents. If you're going to allow the parklets and the restaurants continuing to expand to sidewalks (I.e Butterhorn, 5th Ave,etc) then we need promenade to accommodate walking. If we are going back to normal, we don't need promenade.	10/5/2021 10:13 PM
112	Provides opportunity for outside dining while we get Covid under control	10/5/2021 10:13 PM
113	We love the ability to wander Main without traffic. As residents it is a little inconvenience, but love all the extra seating and fun things some of the places are doing.	10/5/2021 10:04 PM
114	I like the way it opens up the main town area for easy movement of visitors.	10/5/2021 9:52 PM
115	Traffic enforcement has been horrible for the past two summers. We, and our neighbors, are over it.	10/5/2021 9:50 PM
116	I think it's really enjoyed by our locals and visitors	10/5/2021 9:46 PM
117	I love the atmosphere it brings to the town in the summer.	10/5/2021 9:38 PM
118	If the promenade is less exclusive, and could allow all Main Street businesses to benefit	10/5/2021 9:37 PM
119	Love the ambiance, the increased outdoor dining spots and the lack of cars. Covid isn't gone and people from unvaccinated areas will continue to visit so increasing outdoor public spaces is important for community public health and safety.	10/5/2021 9:20 PM
120	I like the promenade but it puts so much traffic diwn Galena St and Granite St.	10/5/2021 9:19 PM
121	Because it was so family-friendly. Safe from cars and expanded restaurant space for everyone's benefit.	10/5/2021 9:12 PM
122	I think people linger longer on Main Street.	10/5/2021 9:11 PM
123	Not worth the traffic issues is creates	10/5/2021 9:07 PM
124	It's awesome to be able to have dinner with plenty of tables and let the kids run around and the dog lounge. Supremely relaxing. A real draw.	10/5/2021 9:00 PM
125	Traffic routed down Granite was not well managed and dangerous.	10/5/2021 8:56 PM
126	Love it! Love the atmosphere... the outdoor dining...	10/5/2021 8:47 PM

Frisco Pedestrian Promenade Survey

127	creates a more casual, slower pace to visitor traffic	10/5/2021 8:46 PM
128	Effects our business is some ways	10/5/2021 8:45 PM
129	I enjoy the atmosphere the added outdoor dinning space available at the restaurants.	10/5/2021 8:45 PM
130	most locals, and guests, enjoy it	10/5/2021 8:42 PM
131	Provides a great pedestrian respite to the vehicle centric main Street model.	10/5/2021 8:39 PM
132	It was great fun walking/biking down Main Street. Great people watching while eating outdoors. Brought visitors to our Main Street. My grandkids loved the minature golf and bean throw.	10/5/2021 8:33 PM
133	It makes casual strolling much more enjoyable due to limited vehicle traffic.	10/5/2021 8:30 PM
134	I enjoyed the larger walkable shopping and dining experiences, being able to walk or ride my bike right down the middle of main street. The vibe from the shops and restaurants overflowing into the street. I already miss it!	10/5/2021 8:26 PM
135	Think it is great for the community. Visitors and locals alike can congregate. It's an attraction for visitors, unique in the county.	10/5/2021 8:20 PM
136	I like it, but it is a gigantic pain in the behind to drive around every single day.	10/5/2021 8:17 PM
137	It put so much pressure and traffic on Granite and the numbered streets. I want to go back to a calm Granite.	10/5/2021 8:17 PM
138	Creates too much traffic in residential areas due to detours from Main Street.	10/5/2021 8:17 PM
139	It's nice to have all of the outdoor space with covid unknowns and I feel like it gives the local businesses more foot traffic or opportunities for foot traffic or more "butts in seats" at restaurants.	10/5/2021 8:15 PM
140	The promenade doesn't affect parking in our block (between 5th and 6th Ave), and yet it seems to help the businesses within the walking zone! I love seeing people enjoying the street as if it were an outdoor mall, with some of the best scenery of any main street in the world. I love that people can walk or bike through the promenade, and that I haven't heard of any mishaps or collisions (knock on wood).	10/5/2021 8:14 PM
141	It provides a great area to socialize and enjoy the summer weather in Frisco	10/5/2021 8:14 PM
142	We love the walk ability of downtown. Keep it open to bikers, people ant pets!	10/5/2021 8:13 PM
143	It blocks Main Street	10/5/2021 8:12 PM
144	It's not that hard to drive around and less risk for pedestrians and those sitting in the "parklets.'	10/5/2021 8:04 PM
145	It's so nice to be outside with no cars. Makes the town feel more welcoming	10/5/2021 7:46 PM
146	Too much traffic elsewhere in town. Difficult to drive through Main Street and vicinity.	10/5/2021 7:44 PM
147	So nice to stroll through downtown	10/5/2021 7:40 PM
148	It is wonderful to walk all around plus eat out and enjoy my Mountain View's!	10/5/2021 7:40 PM
149	It is a wonderful, safe way to enjoy Frisco, the restaurants and the shops.	10/5/2021 7:30 PM
150	Good for businesses and less crowded for pedestrians. More outdoor dining	10/5/2021 7:18 PM
151	Love it !	10/5/2021 7:14 PM
152	It's a fun concept and a great way to enjoy the weather	10/5/2021 7:05 PM
153	Pro supporting the local businesses, but it eliminates the 4th of July parade and other potential activities. If you don't find ways to draw out of town guests, then the permanent residents will be left to support themselves.	10/5/2021 6:59 PM
154	I enjoyed having no cars to deal with on Main Street makes it seem more like a small town.	10/5/2021 6:46 PM
155	It's a treat to be able to walk and bike without cars down Main Street.	10/5/2021 6:41 PM
156	Festive, pandemic safe space	10/5/2021 6:35 PM
157	Adds i summer special dimension to our Town	10/5/2021 6:31 PM

Frisco Pedestrian Promenade Survey

158	Pretty much un-used this year by pedestrians. Benefitted 2-3 restaurants and everyone else in town suffered. Good idea in 2020, horrible idea in 2021. I live on granite street, it isn't designed to handle all the traffic in town. Do the parklettes if restaurants want extra seating	10/5/2021 6:31 PM
159	I personally enjoy it.	10/5/2021 6:30 PM
160	Parking is limited where business that I want to shop at	10/5/2021 6:30 PM
161	I love the promenade but think local businesses should determine whether to keep it.	10/5/2021 6:27 PM
162	Not only do I feel it should return I feel it should be made permanent each year during the warm months! We absolutely love it. A way to walk and relax with your family without worrying about traffic with children all while the kids get to play games and we support the local economy. It's a win/win for everyone involved. Such a cool idea.	10/5/2021 6:26 PM
163	Kid friendly with or without the pandemic. We loved the set up	10/5/2021 6:25 PM
164	It was so much fun! We loved being able to eat outdoors	10/5/2021 6:22 PM
165	It gave the downtown area an amazing feel. It was the quintessential mountain town.	10/5/2021 6:14 PM
166	Gets more people out and creates a sense of community	10/5/2021 6:01 PM
167	I enjoy walking out biking over. I enjoy relaxing outdoors and having dinners or cocktails.	10/5/2021 5:58 PM
168	We really enjoy it, and every visitor I've spoken to enjoyed it as well.	10/5/2021 5:58 PM
169	I live on Granite. The traffic generated by the closure is debilitating to my quality of life. Horns honking, harleys, loud pipes, diesels etc.	10/5/2021 5:56 PM
170	I didnt visit it but a couple of times to grab a quick bite. In fact I sort of avoid it because of the congestion and parking. I know it serves a purpose however for visitors.	10/5/2021 5:50 PM
171	Great summer ambience and nice not to have to deal with cars. Just enhances warmth of town	10/5/2021 5:46 PM
172	I like the walk ability of Main St. A and the extra seating areas.	10/5/2021 5:34 PM
173	It is family friendly, fun atmosphere, overall has been well done.	10/5/2021 5:33 PM
174	Just makes the experience more pleasurable	10/5/2021 5:33 PM
175	Too much traffic pushed on Granite...Noisy, dusty & too busy for residents to use safely. It's really not necessary for most businesses on Main St. Leave Main St open & figure out how to use parklets outside of the street gutter for those businesses who wish to use parking infront if their businesses as an outside extension.	10/5/2021 5:27 PM
176	I think it's a draw to come to town. It's nice to not worry about traffic and bring the kids.	10/5/2021 5:24 PM
177	I enjoy the openness of the area and ability to walk without worrying about traffic. Because we live on Granite Street, I would request that temporary four way stop signs be installed where there currently are permanently installed on Granite. It is difficult to see around parked cars when turning onto Granite in places and people who are not familiar with the area do not look for cross traffic that does not stop. This is not as big an issue in winter.	10/5/2021 5:19 PM
178	I can't park and walk that far. So we had to skip downtown in our visit to Frisco this past July, I was very disappointed. Not everyone can walk very far.	10/5/2021 5:16 PM
179	I think traffic should be routed on Main Street not Granite or Galena. The promenade is unfair for businesses not in the promenade area. They lose parking in front of their businesses. Also, bikers at the corner of 4th and Main do not think they need to stop. It's hard enough with all the walkers crossing. Also emergency vehicles have a hard time in the promenade area. Let's do away with the promenade. We had it during covid to help the business's. Now there aren't enough staff for the restaurants to service the area.	10/5/2021 5:12 PM
180	Tourists love it	10/5/2021 5:10 PM
181	Thoroughly enjoy the added pedestrian-friendly capability. It encourages to visit Main Street more frequently in the summer months with ye children and the dog. The added affect of less vehicle traffic on Main Street is also a huge bonus.	10/5/2021 5:10 PM
182	Along with the flower boxes and lights, It adds to the ambience of downtown Frisco and	10/5/2021 5:08 PM

	encourages strolling and checking out shops and restaurants one might not see when driving by in a car.	
183	The atmosphere it creates is welcoming and relaxing. Being able to enjoy more open space on Main Street has been great.	10/5/2021 5:04 PM
184	I like driving down the road, not walking down it	10/5/2021 4:58 PM
185	I find a pedestrian walk way very inviting, relaxing and safe. We walk down main street almost every day and being able to walk a portion of it free of cars is great.	10/5/2021 4:52 PM
186	It was great for our business and the tourists seemed to love being able to hang out on Main Street with their families.	10/5/2021 4:48 PM
187	Beautiful & safe venue for our cohesive community & a lovely feature for attracting visitors to dining & retail.	10/5/2021 4:40 PM
188	The promenade creates an amazing sense of community on Main Street. Visitors and locals love being able to walk "down the middle" and the outdoor seating expansion for restaurants is a huge bonus. My family loved the live music and other activities that would happen outside throughout the summer, and the market lights at night made it amazing! I know there were concerns about parking, but it seemed like the town handled that challenge very well this summer. Please bring it back again!!! I also heard a lot of people saying they were sad that Breck didn't have walkable main this year and that they chose to visit Frisco instead because we had ours set up!	10/5/2021 4:30 PM
189	It is a fun and safe place for families, kids, dogs, residents and visitors. The businesses in both the promenade and nearby areas are flourishing. IT adds so much to Frisco as a destination both for locals and visitors.	10/5/2021 4:29 PM
190	Parking is an issue and traffic on side streets	10/5/2021 4:28 PM
191	it's great to get more outside seating for restaurants, but parklets for retail stores, and 'games' creates a tacky atmosphere	10/5/2021 4:25 PM
192	Frankly, I don't see the real benefit. Not that many restaurants need the additional space, and the loss of parking / requirement to divert to Granite is a bit of a pain. Don't feel strongly, but don't see that it adds all that much, either.	10/5/2021 4:24 PM
193	It is a great place to meet up with friends and have dinner, bit there should be more music.	10/5/2021 4:22 PM
194	It is a waste of space. Main Street is a street. Let's use it as such.	10/5/2021 4:16 PM
195	Love all of the people walking around on the street. Loved all of the flower boxes and the look of Main Street. Makes the town more quaint.	10/5/2021 4:14 PM
196	The traffic on Granite has been horrible as a result. It would be nice if the diversion could vary on different streets possibly?	10/5/2021 4:11 PM
197	The town is way too busy as it is. Please stop marketing Summit County to the world.	10/5/2021 4:09 PM
198	enjoyable to sit outside and who knows what the covid situation will be, But regardless we enjoy the outdoor dining experience.	10/5/2021 3:54 PM
199	Traffic for locals without Main St. is hectic at best. Other routes are not adequate to get to PO, Town Hall, etc. if Main is going to be. Loser again, a new through road that can take local no traffic from north end (Walmart area) needs to be constructed to ease local congestion.	10/5/2021 3:51 PM
200	Because it's GREAT! It really makes Frisco feel like a destination.	10/5/2021 3:49 PM
201	Fun energy	10/5/2021 3:48 PM
202	Traffic on Granite was too heavy. Not all businesses, outside the promenade were able to expand outdoors	10/5/2021 3:48 PM
203	Because it's awesome	10/5/2021 3:47 PM
204	It was nice beyond the fact that it was a health measure. You should do it for a few days in winter and host a christmas market like in europe or something	10/5/2021 3:44 PM
205	it is disruptive for frisco . it favors a few at the expensive of others. disrupts traffic flow. eliminates parking. with all the construction going along the highway, i thought that it was a	10/5/2021 3:39 PM

	tremble decision to do this again. i avoided mainstreet this year.	
206	Traffic and parking issues. Main Street is not Larimer Square. It should remain open	10/5/2021 3:38 PM
207	We stopped in Frisco on our way to California. The Promenade was a pleasant experience and would likely draw us back into the community the next time we pass through.	10/5/2021 3:36 PM
208	More space for tables and walking around freely and safely.	10/5/2021 3:33 PM
209	ugly and a waste of parking spaces	10/5/2021 3:33 PM
210	Wasn't being used by establishments because of staff shortages	10/5/2021 3:26 PM
211	The promenade makes for a much more pleasant experience dining, shopping and exploring downtown Main St, makes people want to spend more time there (which probably translates to more dollars spent), and gives the crowds more space to spread out instead of jostling on the sidewalks.	10/5/2021 3:23 PM
212	It's great to walk around with the children	10/5/2021 3:23 PM
213	It's inconvenient and is not equally beneficial to all businesses	10/5/2021 3:21 PM
214	The Promenade makes it an inviting place to go. I feel safe w my son going down there and less concerned about cars not seeing him	10/5/2021 3:20 PM
215	Traffic congestion. My sales suck when the promenade is open My busiest week of the summer was the first week the promenade closed Which was the third week of September. Strange coincidence, ha? I had two nights over 6500 this summer. Super weak. I should have two if not three nights a week where I'm over 6500. It's hard hearing that a restaurant half my size in the promenade is doing more for lunch than I do on a Friday night. is this promenade all Frisco has to offer, to keep up with the other towns?	10/5/2021 3:19 PM
216	Great downtown atmosphere!	10/5/2021 3:19 PM
217	I didn't get to experience as much this year but it's wonderful. You get to see your neighbors and wander into businesses you don't usually go To when you make quick car trips. Safety and limiting fossil fuels are other priority's	10/5/2021 3:18 PM
218	The promenade makes dining and walking in Frisco more enjoyable. Outdoor dining in the mountains is extremely enjoyable.	10/5/2021 3:18 PM
219	Nice public gathering space, pedestrian centered/car-free design is comfortable and welcoming	10/5/2021 3:17 PM
220	Nice to have, but I also liked the way it was. If you go back to promenade, I would like to see more 4-way stops added on Granite St and surrounding areas to slow down traffic on either side of Main St. Also, would be nice to have more public parking.	10/5/2021 3:15 PM
221	Because it makes parking impossible. The first time I parked near Bread and Salt one weekday morning, someone couldn't navigate their way through the side streets and smashed into my parked car. Cost me \$3,000 to get it fixed. The second time I parked near Bread and Salt, a Shamrock food delivery truck blocked the road, and my parking spot, for more than 30 minutes. The third time I parked near Bread and Salt, a Shamrock food delivery truck blocked the road, and my parking spot, for 40 minutes. That's when I stopped coming to Frisco for breakfast after a hard morning of rowing. No one can navigate the side streets and I think the so-called promenade is totally stupid.	10/5/2021 3:12 PM
222	I like the feel, how it's so open.	10/5/2021 3:11 PM
223	A great add to the summer ambiance	10/5/2021 3:11 PM
224	Brings more life to main street - I think people prefer the pedestrian aspect	10/5/2021 3:10 PM
225	I think the Promenade is the best thing to happen to Frisco. People are friendlier and it's a community feel amongst locals as well as tourists. It's a great place to cruise on your bike, grab a drink at an outside table, and stroll down the street unhurried and without danger. It's quiet and serene without cars driving by and people are more willing to visit shops they might not otherwise go into.	10/5/2021 3:10 PM
226	I really enjoy it!	10/5/2021 3:08 PM
227	The promenade gives Frisco main street a more communal feel. Its fun to hang out with	10/5/2021 3:07 PM

	friends and walk/bike down main street without the worry of cars.	
228	Yes! I love the promenade :) it's such a nice part of downtown Frisco.	10/5/2021 3:06 PM
229	I think it provides a better sense of community for Frisco and an increase in business in the core downtown areas	10/5/2021 3:04 PM
230	I personally like the promenade. However, if it's determined that the local business owners and other stakeholders think it's a detriment to the overall vitality of Frisco I would be OK without it.	10/5/2021 3:02 PM
231	The Promenade is fantastic! Having these blocks reserved for pedestrian/bike/pets encourages longer stays on main street for customers of all businesses.	10/5/2021 3:01 PM
232	It captures the true character of Frisco. Every mtn town has cars buzzing around their main street and cars parked everywhere, the promenade has set Frisco apart from every other car town USA.	10/5/2021 3:00 PM
233	I love the community feeling it creates with people out walking dogs, kids on bikes, and live music. When it started in 2020 it was one of the things that made me feel safe and gave a feeling of normalcy.	10/5/2021 3:00 PM
234	It feels more walkable and allows for more outdoor eating spaces. My favorite part of the summer is being outside.	10/5/2021 2:59 PM
235	I stay away personally, but if business in the town core feel it is beneficial I don't have strong feelings.	10/5/2021 2:55 PM
236	Customers love it	10/5/2021 2:55 PM
237	Creates a nice walking environment on main street. Need to put controls on permitted outdoor use. Need to avoid main street looking like an amusement park.	10/5/2021 2:53 PM
238	It gives the town a festive, European feel and encourages people to stroll Main Street (and patronize the businesses).	10/5/2021 2:52 PM
239	It stops normal traffic for our business as the only people that benefit this are restaurants.	10/5/2021 2:52 PM
240	I believe with the park let's you get that seating on Main Street feel while maintaining traffic flow and access by emergency services.	10/5/2021 2:51 PM
241	It's a great way to make the town more accessible for everyone and to experience the town	10/5/2021 2:50 PM
242	like the open feel and fresh air - feels safer than being confined inside	10/5/2021 2:49 PM
243	I live near Granite. The detoured traffic and trucks coming thru the neighborhood is too heavy. Please detour north of Main St or Hwy 9.	10/5/2021 2:47 PM
244	Too much traffic diverted to Granite. Increased hazard (vehicular and pedestrian) at 2-way stop intersections not intended to accommodate increased traffic volumes. Significant nuisance noise to residents due to traffic increase.	10/5/2021 2:46 PM
245	Town seems more festive with the blocks closed.	10/5/2021 2:46 PM
246	While the promenade has been good to our business it has been inequitable to others and also to those who are affected by the traffic detour that did not purchase to live on Main Street while Main St traffic is diverted past their residences.	10/5/2021 2:44 PM
247	As a resident of Main Street I think the promenade is great! I think it should be year-round.	10/5/2021 2:42 PM
248	We absolutely LOVE it!. It shows off the town, makes dining more fun to spread outside. Brings more people strolling through to shops. They did a fantastic job this summer making it even more beautiful with the flowers and wine barrels.	10/5/2021 2:41 PM
249	I like it!	10/5/2021 2:40 PM
250	The sidewalks get jammed and reducing traffic down mainstreet is great.	10/5/2021 2:39 PM
251	The promenade was an absolute disaster this year! I realize it was a necessity during Covid the first go, but with construction I made parking for my business an absolute disaster, mid traffic in town an absolute disaster, and made simple things like trying to bike around town or walk around town a serious safety hazard. I definitely vote no! The whole remodeling of	10/5/2021 2:39 PM

Frisco Pedestrian Promenade Survey

downtown a few years ago made it so the town was already pedestrian friendly and bike friendly and the promenade was absolutely unnecessary this year.

252	it makes Frisco feel like a small town again. we dont have the congestion of traffic obstructing our beautiful town.	10/5/2021 2:39 PM
253	creates a very festive atmosphere for visitors to stroll down Main St and casually shop and dine. The Promenade also provides a very charming setting for Frisco	10/5/2021 2:37 PM
254	I love being able to walk to town and sit outside. It's a great way to be entertained, eating and watching people, dogs, etc. Lot's of business owners leave water dishes out for pets.	10/5/2021 2:36 PM
255	Our family enjoyed walking Main St without traffic. The additional outdoor dining is amazing and it really gives a great small town feel.	10/5/2021 2:36 PM
256	I feel like I can't use main street all summer. I just avoid the area as it is overrun by visitors. There is not adequate parking and with the construction it just seems like mayhem. Sad, because I used to enjoy summers in Frisco. Now I just come, work and go home to somewhere else. I used to enjoy eating in town also, but even picking up lunch at the Butterhorn or Bread and Salt is a hassle because you can't find parking. Is Frisco for the residents or the visitors? Because lately, it seems like its only for visitors.	10/5/2021 2:35 PM
257	-Pedestrian safety is number one for us. -The community engagement is so much stronger and creates a better atmosphere for shopping safely. - it out Frisco on the destination map since we created such a fun, relaxed environment - it encouraged people to stay outside and be active	10/5/2021 2:35 PM
258	It offers a more scenic experience of Frisco's downtown compared to eating and socializing inside every restaurant.	10/5/2021 2:33 PM
259	We appreciate the opportunity to socialize outdoors without the buzz of traffic nearby. We love the open feel of being able to wander lazily from shop to shop, without having to worry overmuch about our kids in traffic. We like the expanded outdoor spaces created by the shops and restaurants.	10/5/2021 2:30 PM
260	It gives every day a festive feel. It also provides room for more space between people.	10/5/2021 2:28 PM
261	It creates great community and is more walkable.	10/5/2021 2:28 PM
262	must address the traffic pedestrian and bike operation. traffic should be rerouted with west bound ONLY on Galena and east bound ONLY on Granite. Bikes should be on main with special lanes west bound on Galena and east bound on Granite.	10/5/2021 2:27 PM
263	I think pedestrian friendly main street is the highest and best use for main street. Use Granite for cars	10/5/2021 2:26 PM
264	I feel like it takes away from my business that isn't on Main St.	10/5/2021 2:26 PM
265	It provides more space for the businesses and allows folks to eat outside and creates more of a town farmers market feel to have an open walking promenade without worrying about cars.	10/5/2021 2:25 PM
266	I love having the extra patio space and seeing people enjoy the extra space, bike racks, stroller space, makes it easy to enjoy the town.	10/5/2021 2:24 PM
267	The Promenade created a safe space for the community to come together for food, drink, and fun. It was also great to see the businesses get creative with decorations and the art stuff.	10/5/2021 2:24 PM
268	There's huge traffic on Granite which affects the safety of those of us who live off of it.	10/5/2021 2:24 PM
269	Love the feeling of activity and liveliness.	10/5/2021 2:23 PM
270	Residents and visitors alike loved it	10/5/2021 2:23 PM
271	Love it!	10/5/2021 2:23 PM
272	I like the promenade	10/5/2021 2:20 PM
273	Brings too much traffic to my residential street when main street is detoured to Granite.	10/5/2021 2:19 PM
274	Creates a great outdoor community vibe....pandemic or no pandemic	10/5/2021 2:19 PM
275	The promenade allows residents and visitors alike to enjoy a car-free stretch of Main Street	10/5/2021 2:18 PM

during the warmer months. My residence is on Main Street just near the Log Cabin and I wish that our block was also included in the promenade closure. With reports of tourism and revenues back up to pre-pandemic levels we have proof that there is not negative impact to businesses with respect to the closure.

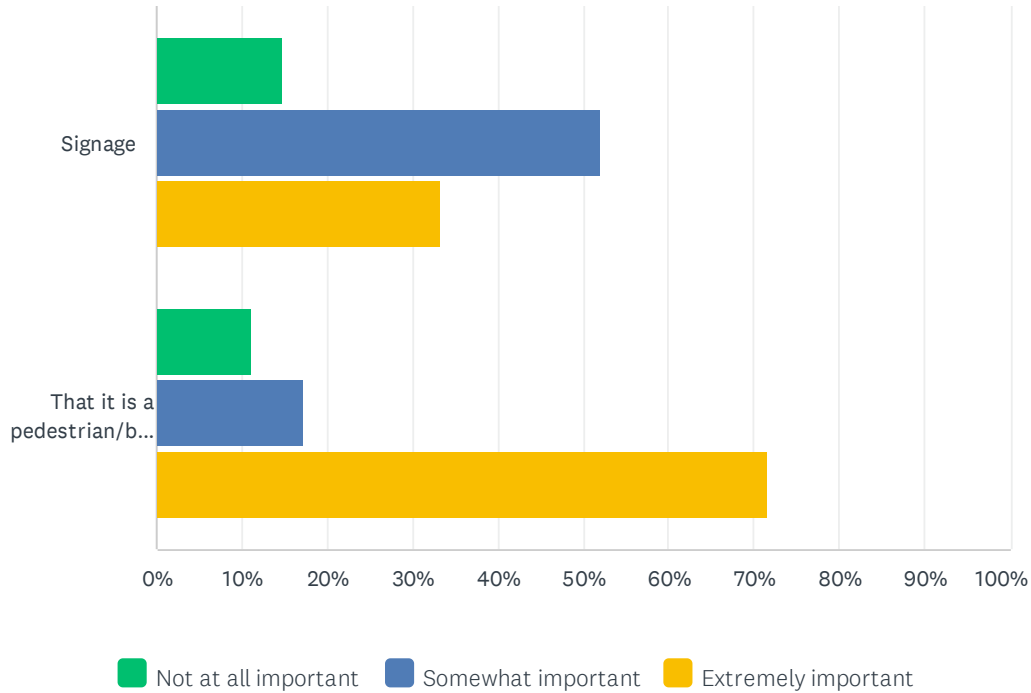

276	We are on Main st and it increases traffic.	10/5/2021 2:18 PM
277	Parking is nearly impossible in the summer with the Promenade.	10/5/2021 2:18 PM
278	Unreasonably benefits some businesses more than others at the expense of the road which is useful as a road which the taxpayers, not strictly the beneficiary businesses, already paid for. Infact, the disruption to the road functioning as a road negatively impacts many businesses. Much traffic is diverted to alleyways and side streets without necessity. Semi-permanent use of town roads should generate substantial income for the town so that the businesses lucky enough to sit on that route don't get to triple their capacity at the taxpayer's expense. Perhaps you should remove the road permanently and sell the land to the adjacent businesses for market rate?	10/5/2021 2:18 PM
279	It makes the whole downtown so much nicer.	10/5/2021 2:16 PM
280	I loved having main street closed and being able to enjoy more restaurants outside in the street. It created a sense of community and allowed restaurants to have more seating. And decreased traffic on main street is wonderful.	10/5/2021 2:16 PM
281	Adds to the draw for locals and visitors to Main Street. Enjoy the vibe and outdoor eating options.	10/5/2021 2:15 PM
282	I think that it provides a unique and safe space for our visitors and locals. I very much enjoy it but only wish to see it's return if it is equitable to the main street businesses.	10/5/2021 2:15 PM
283	Great community showcase, great local & tourist draw	10/5/2021 2:15 PM
284	I think they are used by both locals & especially tourists. The challenge is with taking up parking spots, but I think that has been alright so far. That needs to continued to be monitored moving forward.	10/5/2021 2:13 PM
285	It was nice to be able to walk around, sit outside and not have cars everywherr	10/5/2021 2:13 PM
286	Even though I live on Granite St. which is the most impacted by traffic (i.e., tourists not understanding how to proceed through intersections that don't have stop signs), I think the pros of the promenade outweigh the cons. The sense of community is great and it separates Frisco from Breckenridge (assuming Breck continues to not have a walking promenade). With the completion of the construction on 9, I imagine traffic/parking issues will subside.	10/5/2021 2:12 PM
287	It can be good and bad. Really hard to tell if better for business or not this year.	10/5/2021 2:11 PM
288	It provides a great place for people to gather and mingle.	10/5/2021 2:09 PM
289	I love the walk ability	10/5/2021 2:09 PM
290	I love the community feel it creates.	10/5/2021 2:06 PM
291	Sense of community	10/5/2021 11:27 AM

1	Where would "fencing improvements" be at? What are "parklets"? Address detouring traffic somewhere other than down Granite St.; see previous comment.	10/13/2021 11:31 AM
2	First it needs to be different. There is to little utilization of the Main Steet. The parking should be available to all businesses for use in front of their building for restaurants, merchandise displays etc. The street should be open to cars and bike and sidewalk to pedestrians. make it more active and less sleepy	10/13/2021 9:12 AM
3	Keep main street an actual STREET	10/12/2021 4:41 PM
4	It was definitely better the 2nd year in regard to seating for restaurants and fences. Saw a few folks taking pictures with floral arrangements in background, plus night time string lighting is nice.	10/12/2021 1:40 PM

5	Bikers should be notified when renting a bike of the bike paths.	10/8/2021 6:15 PM
6	You know what else would be important: public restrooms for people to use when they aren't necessarily going into a business.	10/7/2021 9:05 PM
7	I like being able to walk Main without the traffic but Granite becomes dangerous and I live on Granite and it's a but scary.	10/7/2021 7:19 PM
8	I think these were all helpful to promoting the promenade and making it easy to navigate and making it look fun.	10/7/2021 1:52 PM
9	The lack of live music was a detriment to the atmosphere of the promenade this year.	10/7/2021 6:16 AM
10	Prefer that cross streets remain open to pass through, for better access to proximity parking, especially for the elderly and those with disabilities. Also helps retailers with loading and unloading both in product and supply deliveries and customer service. Everyone knows to be careful and patient. Blocking the pass through cross streets created a real problem for everyone, including residents clogging up the few parallel roads with heavy traffic and blocking lanes with delivery trucks. We needed an ambulance for a customer and it even seriously delayed the arrival of help	10/6/2021 8:17 PM
11	It's all about ambiance and comfort for both pedestrians and diners.	10/6/2021 5:22 PM
12	The last version was really nice!	10/6/2021 5:02 PM
13	Having it provides more of a sense of community.	10/6/2021 4:52 PM
14	This year there was little or no signage that bikes and pedestrians would share the Promenade. Pedestrians took up the middle or entire street with no regard for bike traffic and the entrance and exits mainly blocked access for bikes, bikes having to weave around near the sidewalks to enter or exit making it dangerous for the riders and pedestrians. Also, there should be an ADDITIONAL 5-6 more bike racks as for peak weeks/months every bike rack was overflowing with bikes. Also, people parked some of their bikes near the middle of the street either for lack of racks and also was dangerous having bikes near the middle of the street (parked). Also, many were still riding bikes on the sidewalks and not out on the Promenade!	10/6/2021 4:11 PM
15	I had interactions with at least one business owner that was opposed to the promenade. He stated that it had a negative impact on his business. I am not sure which business his was, but he was grumpy.	10/6/2021 2:38 PM
16	Frisco did a fantastic job with the promenade both summers. Thank you!	10/6/2021 2:07 PM
17	the bicycle usage was less than stellar, especially at the street crossings. At time of high use bicycle/ automobile accidents are waiting to happen.	10/6/2021 1:57 PM
18	Again the signage/barricades certainly kept the cars out. It was dangerous going down as a biker. The flowers with or without the prom are always beautiful. Kudos to those who maintain them. Please come do my yard. The fencing made it difficult to bike ride through the intersections.	10/6/2021 11:57 AM
19	No bikes on sidewalks needs to be made clearer.	10/6/2021 11:23 AM
20		10/6/2021 11:18 AM
21	The lighting added to the ambiance of the promenade in the evening. The flowers and planters have always been stunning.	10/6/2021 10:31 AM
22	n/a as I thought the entire project was not of benefit to the town.	10/6/2021 10:05 AM
23	The past years have seen a steady progression in safety, comfort, and accessibility. Maintain that focus and add niceties with low/no overhead.	10/6/2021 9:56 AM
24	Thank you for your hard work in making our community vibrant and beautiful. Breck is over crowded, Vail too stuffy, and silverthorne (or the big city) as we call it so not come close to the charm and character that Frisco has to offer.	10/6/2021 9:32 AM
25	I really liked the lighting but felt it could have looked awesome with a little more density and consistency. Some sections got left unfinished all summer and it looked a little tacky in places...	10/6/2021 9:30 AM

26	Great work this year on the Promenade! Loved the artwork on the barriers and the lights/flowers throughout town.	10/6/2021 9:08 AM
27	Lots more signage needs to be done, and banners	10/6/2021 7:28 AM
28	Love having a little stretch of road that has no traffic that we can just mosey around and enjoy the mountains and all that Frisco has to offer. Outside dining is also wonderful.	10/6/2021 7:23 AM
29	Great improvements each year with continuous room to improve.	10/6/2021 7:17 AM
30	Puts the "See" in downtown Character	10/6/2021 6:14 AM
31	The flowers and lights were our favorite part. Frisco is such a beautiful little town and the promenade really shows it off. We could tell there were improvements from last year and it really looked great this year.	10/6/2021 5:21 AM
32	Employees making these decisions have no skin in the game. Let them struggle for income and see a different take on having their access and parking blocked	10/6/2021 2:09 AM
33	The improvements were wonderful and added a conformity to the promenade, which looked great!	10/6/2021 1:10 AM
34	Was decent in 2020. Was much better in 2021. Expand to the West and East by another block each!	10/5/2021 11:55 PM
35	You made it very easy to know the rules and it was easy to abide by them.	10/5/2021 10:21 PM
36	Route the cyclists away from the promenade if you proceed in subsequent years.	10/5/2021 9:50 PM
37	Y'all did a great job!	10/5/2021 9:46 PM
38	As a business owner parking was extremely hard to find for self and clients.	10/5/2021 9:39 PM
39	Just love it!	10/5/2021 9:38 PM
40	I don't know what parklets are so I can't comment.	10/5/2021 9:20 PM
41	More communal games would be awesome	10/5/2021 9:00 PM
42	It is a nice idea, but there weren't enough people in the area to justify this much space	10/5/2021 8:56 PM
43	Wonderful job!	10/5/2021 8:47 PM
44	over this past summer, we have 17 guests visit us at various times. ALL 17 commented positively on the promenade creating a friendly and SAFE environment for them to visit Main street.	10/5/2021 8:46 PM
45	Creates a welcome environment	10/5/2021 8:39 PM
46	Great job! Would have liked more music!	10/5/2021 8:33 PM
47	He promenade makes the town seem really congested. Not small town and peaceful.	10/5/2021 8:17 PM
48	Keep up the great work! ALL planter boxes at the ends of the streets would be nice if the public works folks can accomplish it!	10/5/2021 8:14 PM
49	The improvements made this summer were fantastic! The barrels of flowers were such a great addition! The parklets looked great and seemed to be well used by many restaurants.	10/5/2021 7:53 PM
50	Being able to eat on the sidewalk and not worry about kids in the street has been really nice the last two summers. We go out to eat a lot more.	10/5/2021 7:48 PM
51	Being able to walk down town without fear of cars gives the town a very special feel. It makes it a destination town.	10/5/2021 7:30 PM
52	Loved it and the atmosphere.	10/5/2021 7:11 PM
53	Again, these improvements won't matter if you don't have events to draw people in.	10/5/2021 6:59 PM
54	Prefer bikes be walked in the area	10/5/2021 6:35 PM
55	Control bike speeds	10/5/2021 6:31 PM
56	I can't believe you are waisting my money on the street art, total waste	10/5/2021 6:31 PM

Frisco Pedestrian Promenade Survey

57	Being able to walk/bike it and shutting down the streets is absolutely crucial	10/5/2021 6:26 PM
58	Please bring it back!	10/5/2021 6:22 PM
59	It appeared well conceived and designed. But I didn't use it and deerores around it on my bike rides.	10/5/2021 5:50 PM
60	I'd prefer just pedestrian, no bikes and I'm a mtn biker	10/5/2021 5:33 PM
61	I think skateboards/scooters are fine, too!	10/5/2021 5:24 PM
62	Sorry. Not in favor of the promenade. We widened the sidewalks to serve our visitors. I think that's enough.	10/5/2021 5:12 PM
63	Barriers that blocked cars were often in the way of bike traffic at the ends. I think light pollution is a bit extreme at night.	10/5/2021 5:10 PM
64	I really liked the pedestrian/bike zone. It made the downtown area feel more festive and was great to have extra outdoor seating for the restaurants.	10/5/2021 5:08 PM
65	There needs to be much better shade areas.	10/5/2021 4:48 PM
66	The second summer enhancements were incredible!	10/5/2021 4:40 PM
67	All of the components of walkable main contributed to making it a success. I would be curious to hear how the businesses felt about it, but from a "guest" standpoint, I loved it.	10/5/2021 4:30 PM
68	What a wonderful little break from the traffic. LOVE IT!	10/5/2021 4:29 PM
69	still, bikes on sidewalk even though the street was blocked!	10/5/2021 4:25 PM
70	There should be more outdoor music. Figure put a rotating schedule for times and and which block. Local and area bands are more important than a national name band like used to be at BBQ. Use some of the money that used to be wasted on the BBQ and put it towards lower cost (but great) local and area bands. This is what Frisco should be known for, not animal sacrifice and a carnivore (carnival) atmosphere.	10/5/2021 4:22 PM
71	Don't do this to the businesses on Main Street again. Few benefit. The masses or majority do not.	10/5/2021 4:16 PM
72	Really need more bike racks	10/5/2021 4:14 PM
73	better to be a pedestrian and have people walk their bike	10/5/2021 3:44 PM
74	pretty much a waste of Main Street space	10/5/2021 3:33 PM
75	Refer to last comment	10/5/2021 3:21 PM
76	I love how different and creative the parklets are.	10/5/2021 3:17 PM
77	Please just make it stop and let's go back to normal. I've lived here 23 years. I HATE the stupid promenade.	10/5/2021 3:12 PM
78	I didn't notice the 'fencing improvements'.	10/5/2021 3:11 PM
79	didnt see the 2021 version	10/5/2021 3:10 PM
80	I loved the planters and the wine barrels and the fairy lights were beautiful at all times from dusk to full dark.	10/5/2021 3:10 PM
81	I think the fencing structures could use improvements. Especially if you made it something you could continue to use year after year. I also think maintaining the flower boxes and lighting is important and improving the surrounding streets (Granite). I love the promenade please continue it	10/5/2021 3:06 PM
82	Great flowers and seating this past summer!	10/5/2021 3:04 PM
83	The promenade is very inviting. Makes for a lovely walk downtown. Creates a vacation atmosphere	10/5/2021 3:03 PM
84	Because it was so well done it was easy to let everyone move about safely	10/5/2021 3:00 PM
85	We have really enjoyed the promenade the last 2 summers. Frisco gas done a fantastic job.	10/5/2021 2:59 PM

Frisco Pedestrian Promenade Survey

86	I thought it was much better than the prior year - didn't feel like as much like a street party...	10/5/2021 2:55 PM
87	The changes to the promenade visually were a great addition	10/5/2021 2:55 PM
88	There needs to be lots of seating so people can hang out, people-watch and create a European feel.	10/5/2021 2:52 PM
89	Overall it was more pedestrian friendly than bike friendly. The improvements including the art at 3rd and Main were noticeable.	10/5/2021 2:44 PM
90	I don't really feel like any of this was necessary because I don't feel like the promenade was necessary	10/5/2021 2:39 PM
91	I do think that if it becomes a more regular feature of Summer in Frisco, the signage could be better and more creative displayed. Just a suggestion, I did travel through a town this summer that had all the beautiful hanging pots down their Main St. that were donated by local residents and businesses and then there was a plaque located in town that described who the flower pots were donated by and who they honored. (many were donated by families to their graduating seniors) I thought that was a nice idea as well.	10/5/2021 2:37 PM
92	Whoever is keeping the flower boxes up, they are doing a spectacular job. Thank you for creating such beautiful spaces to congregate.	10/5/2021 2:30 PM
93	Isn't the "pedestrian/bike zone only" a given for a Promenade whereby the street is closed? or does that mean that allowing cars to cross at 3rd and 4th streets would be a consideration? Parklets aren't really needed if the street is closed to traffic, only if there are cars allowed.	10/5/2021 2:28 PM
94	Bikes are going to fast!	10/5/2021 2:26 PM
95	Need more seating areas	10/5/2021 2:24 PM
96	Pedestrian zones are the way!	10/5/2021 2:23 PM
97	Overall, 2021 looked a lot cleaner...more organized. It seems like there should be a way to make the ends of the sections (where the promenade hits a cross street) look better and less temporary.	10/5/2021 2:19 PM
98	We love it!! Bring it back!	10/5/2021 2:15 PM

Q4 What improvements would you make to the Promenade for summer 2022 if there was a decision to open the Promenade again?

#	RESPONSES	DATE
1	Direct Summit Stage and eastbound traffic to alternate routes off Granite Street to reduce danger and risks for bicycle and pedestrian traffic crossing Granite both north and south on avenues.	10/13/2021 11:46 AM
2	See both previous comments.	10/13/2021 11:31 AM
3	First it needs to be different. There is to little utilization of the Main Steet. The parking should be available to all businesses for use in front of their building for restaurants, merchandise displays etc. The street should be open to cars and bike and sidewalk to pedestrians. make it more active and less sleepy	10/13/2021 9:12 AM
4	Don't.	10/12/2021 4:41 PM
5	Improve traffic overload on granite if possible	10/12/2021 1:40 PM
6	If there was a decision to open the promenade, i would like to improve the signs where people can take a exit out of main street and go on their way back to summit county like breckenridge, silverthrone.	10/11/2021 11:13 PM
7	more decorative barriers than the water filled plastic ones	10/11/2021 11:05 AM
8	Re-routing traffic off of Granite. Way too much noise and heavy traffic there. Change stop signs to make travel more efficient	10/11/2021 8:05 AM
9	Spend less on landscaping and art.	10/10/2021 3:29 PM
10	Extend the Promenade west to Madison Ave and East to 7th Ave.	10/10/2021 2:58 PM
11	Improve access at gas station.	10/9/2021 10:15 AM
12	more art & music	10/9/2021 9:08 AM
13	None	10/8/2021 6:15 PM
14	None needed	10/8/2021 2:17 PM
15	NA	10/8/2021 7:57 AM
16	Maybe allow some pop up shops or food trucks to participate on the street?	10/7/2021 9:07 PM
17	Please don't open the Promenade again.	10/7/2021 9:05 PM
18	More and better activities for kids in the Parklets and extend into October!	10/7/2021 7:54 PM
19	Close off more of Main. Go to at least 7th ave. Make it more accessible for delivery vehicles.	10/7/2021 7:19 PM
20	Upgrade fencing further, with more flowers, additional raised seating areas, perhaps some mid-street cornhole or other games.	10/7/2021 6:28 PM
21	I would make it bigger and longer. Add More live music	10/7/2021 1:52 PM
22	More shade and seating for enjoying the views and people watching.	10/7/2021 1:30 PM
23	Tent type cover over the street and vendors	10/7/2021 1:29 PM
24	Don't have it	10/7/2021 1:14 PM
25	more shade	10/7/2021 11:23 AM
26	Cannot think of any at t his moment	10/7/2021 10:36 AM

27	Work the detours better... we live on Granite and it's horrible during these times.	10/7/2021 8:07 AM
28	I would not allow other business owners to display bright colored tents to cover their clothes	10/7/2021 8:04 AM
29	Live music	10/7/2021 6:16 AM
30	I would try to figure out more parking off Main Street to take up the slack.	10/6/2021 9:29 PM
31	More live music	10/6/2021 9:11 PM
32	Can't think of any.	10/6/2021 8:20 PM
33	Open cross through streets	10/6/2021 8:17 PM
34	I thought it was awesome	10/6/2021 7:39 PM
35	better seating & shade	10/6/2021 7:38 PM
36	Better routing of Traffic	10/6/2021 7:24 PM
37	More shade.	10/6/2021 5:22 PM
38	Keep it open even longer in the fall.	10/6/2021 5:21 PM
39	More shade, especially for dining tables.	10/6/2021 4:52 PM
40	See previous comments. NO RETAIL PARKLETS (Ghetto)! Signage that it is for bike and pedestrians, more bike racks.	10/6/2021 4:11 PM
41	Unsure	10/6/2021 3:49 PM
42	Try to enforce a certain standard of enclosed areas. The parklets are great but one merchant has cinder blocks and 2x4s which looked terrible. If we're doing it do it right.	10/6/2021 3:38 PM
43	Have quiet zone signs for Granite street. I did hear a few horns honking, etc. People need to be reminded that it is a residential area.	10/6/2021 2:57 PM
44	Additional and improved parking and routing of traffic.	10/6/2021 2:38 PM
45	Not sure. Continue to evolve the "look" of it. Parking is still an issue. Find a way to make it easier for all businesses to benefit.	10/6/2021 2:27 PM
46	Not sure, but maybe a stage or extending it so that the stage in the park was part of it?	10/6/2021 2:07 PM
47	Revisit the economics in the retail environment, not just selected restaurants and consider a bit more forward thinking design solution to enhance the Main Street experience.	10/6/2021 1:57 PM
48	None	10/6/2021 1:48 PM
49	Clear bike lane for bikers	10/6/2021 1:38 PM
50	Keep Main Street open to vehicles. Rerouting of traffic is really inconvenient for such a short season.	10/6/2021 1:26 PM
51	Please do not do the promenade again	10/6/2021 12:43 PM
52	Don't open it.	10/6/2021 11:57 AM
53	I would prefer to not see the promenade again	10/6/2021 11:24 AM
54	No bikes on sidewalks signage needs to be a stand up sign by every ramp. No one notices the painted sign on the walk. Also, dogs need to be on a short leash so I guess this also needs to be made clear.	10/6/2021 11:23 AM
55	Just parklets	10/6/2021 11:20 AM

61	Extend it one block closer to the marina	10/6/2021 10:53 AM
62	I don't think it needs improvements. Kudos to the City for their work on making it a great summertime community amenity.	10/6/2021 10:50 AM
63	Some trash barrels?	10/6/2021 10:45 AM
64	More town sponsored/paid for concerts and music	10/6/2021 10:41 AM
65	None	10/6/2021 10:39 AM
66	I liked the Love Frisco gift cards you could buy to use at different vendors in the town.	10/6/2021 10:31 AM
67	Make it shorter	10/6/2021 10:30 AM
68	no comment	10/6/2021 10:07 AM
69	don't do it.	10/6/2021 10:05 AM
70	Highlight an area designated for bike travel. Additional signage for safety 'no bikes on sidewalks', 'please use sidewalk for foot travel' etc.	10/6/2021 9:56 AM
71	None at this time	10/6/2021 9:45 AM
72	It was fantastic...make it bigger!	10/6/2021 9:44 AM
73	I like the way it was done. I do like the decks in front of the restaurants for the outside seating	10/6/2021 9:36 AM
74	More live music? Perhaps a concert in the park on the weekends? We love Thursday nights	10/6/2021 9:32 AM
75	Again lighting and maybe expand into some of the side streets for more seating and room for some art and street entertainers etc.	10/6/2021 9:30 AM
76	Side parking improved	10/6/2021 9:29 AM
77	2021 was an improvement over 2020. Maybe make one traffic on one side of the street.	10/6/2021 9:26 AM
78	Granite traffic and allow for live music	10/6/2021 9:24 AM
79	I feel strongly that it does not enhance Frisco in the summer. It makes it more difficult park and walk main street and shop locally.	10/6/2021 9:17 AM
80	A bike lane would be nice - something that makes the barriers and street crossings easier to navigate on a bike	10/6/2021 9:08 AM
81	Plan with emergency services for better access.	10/6/2021 9:01 AM
82	No improvements needed	10/6/2021 8:41 AM
83	Extend it to include more blocks.	10/6/2021 8:39 AM
84	Traffic flow detours around the Promenade is the only area I suggest improvements. Once the construction is completed on Highway 9, it should help improve traffic flow. I viewed 2021 as a success, learning from 2020 to tweak the Promenade for 2021. It doesn't need major changes, from a pedestrian experience. Finding ways to help local business with parking for customers would be my only suggestion. We need the local business to succeed if the Promenade continues in the future.	10/6/2021 8:20 AM
85	Unsure	10/6/2021 8:15 AM
86	Continue with already awesome decoration...planters, benches, small trees?	10/6/2021 7:53 AM
87	Can musicians play on the promenade? I have seen this in many pedestrian zones and it is rather nice.	10/6/2021 7:41 AM
88	Main Street should remain open to traffic and parking with Parklets being utilized by merchants to include lighting and flower planters. Bicycle and pedestrian signage should be improved with clearly marked bike lanes and dismount signage for bikes on sidewalks. Directions for Optional cycling routes to include Galena and Granite Streets would be beneficial.	10/6/2021 7:30 AM
89	Widen the entrances for bicycles,	10/6/2021 7:28 AM
90	More live music! But it was pretty great this year. Could definitely see the improvements from	10/6/2021 7:23 AM

91	Shaded seating areas. Entertainment. Photo opportunities, i.e. marked off areas	10/6/2021 7:17 AM

93	N/A	10/6/2021 6:35 AM
94	None, thought it was fine with the parklets and fences in 2021	10/6/2021 6:21 AM
95	More string lights on each end like 4th and Main.	10/6/2021 6:14 AM
96	We thought it was great this year, I don't have any suggestions for improvements. I just hope you continue.	10/6/2021 5:21 AM
97	More outdoor seating at restaurants, if they can accommodate it.	10/6/2021 5:14 AM
98	Continue QR menus	10/6/2021 4:53 AM
99	Not to have the promenade	10/6/2021 2:45 AM
100	more music	10/6/2021 2:40 AM
101	Don't have it	10/6/2021 2:19 AM
102	Build a parking structure.	10/6/2021 2:09 AM
103	Direct more thru traffic to Galena to relieve heavy traffic on Granite.	10/6/2021 1:50 AM
104	To last til the end of September	10/6/2021 1:10 AM
105	More outdoor seating	10/6/2021 12:56 AM
106	Nothing. I think it was great. There were probably some confounding issues with traffic due to the extended main st / rt 9 construction that held up traffic but I doubt it had anything to do with main st being pedestrian only. I am such a big fan of the promenade	10/6/2021 12:26 AM
107	Expand West and East!	10/5/2021 11:55 PM
108	None.	10/5/2021 11:53 PM
109	More outside vendors to liven things up	10/5/2021 11:16 PM
110	Consider developing a public parking lot a block off Main Street.	10/5/2021 11:13 PM
111	Open 1 week earlier and close 1 week later.	10/5/2021 10:45 PM
112	None	10/5/2021 10:24 PM
113	Continue to encourage parking on the side streets. Starting the pedestrian at 6th rather than 7th was an improvement (we live on 6th & Galena).	10/5/2021 10:21 PM
114	A shorter time span. Maybe July 4-Labor Day. We really don't need it for the entire summer. I also wouldn't do it when we have so many other construction headaches (like this years GAP Project). We just don't need that many routes closed off at once.	10/5/2021 10:13 PM
115	Try to get more of the businesses to engage, not just some of the restaurants.	10/5/2021 10:04 PM
116	None	10/5/2021 9:50 PM
117	Enforcement of traffic and parking throughout the community, especially on neighboring streets...Galena/Granite/Creekside Drive.	10/5/2021 9:50 PM
118	Live music needs to be permitted within the promenade again, it hurt musicians and took away from the night vibe to not have it this year, unlike last year	10/5/2021 9:46 PM
119	Please don't. We have a large sidewalk for pedestrians.	10/5/2021 9:39 PM
120	I can't think of any improvement.	10/5/2021 9:38 PM
121	Include all businesses on Main Street, or don't do it at all	10/5/2021 9:37 PM
122	More live music	10/5/2021 9:20 PM
123	I don't have any suggestions of how to make rerouted traffic less invasive on the two side	10/5/2021 9:19 PM

	streets.	
124	Keep it year round. Need some parking adjustments off Main Street but not much.	10/5/2021 9:12 PM
125	Could more blocks be added?	10/5/2021 9:11 PM
126	More shade. More live music.	10/5/2021 9:11 PM
127	More alcohol signs. It felt like Vegas.	10/5/2021 9:07 PM
128	More communal games. More kid attractions (climbing structure?)	10/5/2021 9:00 PM
129	The wood decks outside of the restaurants would work better. It keeps the street open while allowing restaurants to have more outdoor seating. I don't think the Promenade increased traffic into the retail shops. I rarely saw the little games being used.	10/5/2021 8:56 PM
130	More art	10/5/2021 8:54 PM
131	I think the promenade itself is great. I think something could be altered with the traffic detour that occurs because of the promenade. These ideas may fall into the "long term planning" category though	10/5/2021 8:53 PM
132	Extend it a couple blocks?!	10/5/2021 8:47 PM
133	bring the promenade back at the current length. flowers, flowers, flowers!!	10/5/2021 8:46 PM
134	An art fair in the promenade area during the summer might be fun or some type of summer festival that takes place within the promenade area	10/5/2021 8:45 PM

137	Not sure	10/5/2021 8:40 PM
138	Directed alternate parking, more shade, bike route definition	10/5/2021 8:39 PM
139	More music. Plenty of plantings.	10/5/2021 8:33 PM
140	I thought it was great. Maybe buskers and more live music, street performers or food carts would even add more to it.	10/5/2021 8:26 PM
141	More art and events. Maybe games or public rec area.	10/5/2021 8:25 PM
142	street performers to attract people, concerts at the end of main st.	10/5/2021 8:20 PM
143	Better resources for Main Street businesses like alternatives to the parklets such as Town provided seating with umbrellas.	10/5/2021 8:17 PM
144	Redirect half the traffic somewhere other than Granite	10/5/2021 8:17 PM
145	Idk	10/5/2021 8:17 PM
146	I thought it was done very well this year. Loved the vib	10/5/2021 8:16 PM
147	Clear rules regarding consumption and sale of alcohol to go	10/5/2021 8:15 PM
148	Offer the businesses outside the walking zone a discounted parklet or something to make up for the "extra square footage" outdoors they don't get, to quell complaining?	10/5/2021 8:14 PM
149	More seating	10/5/2021 8:14 PM
150	Bring back Frisco festivals and create move events on Main Street! A bluegrass weekend, a taste of Frisco weekend, Mountain Bike festival. Expand - block off main in front of Silverheals.	10/5/2021 8:13 PM
151	More shade areas and communal seating.	10/5/2021 7:53 PM
152	I'd love to see some animation for kids and families. Adding a water feature for the summer would be fun and I think many local families would flock to it!	10/5/2021 7:53 PM
153	Just an idea, but move some serving of beer and wine out to the promenade...	10/5/2021 7:51 PM

154	Can't think of anything	10/5/2021 7:48 PM
155	Keep the parklets and open the street	10/5/2021 7:46 PM
156	Extend it 7th ave. Have more shaded restaurant seating	10/5/2021 7:46 PM
157	I do not wish the Promenade to return in 2022.	10/5/2021 7:44 PM
158	None!	10/5/2021 7:40 PM
159	Need more parking options	10/5/2021 7:37 PM
160	I hope it is a permanent fixture. It is a highlight of coming to Frisco.	10/5/2021 7:30 PM
161	More music	10/5/2021 7:25 PM
162	Maybe more extravagant entry points on Main Street. So that it is easy to see you are driving into it	10/5/2021 7:22 PM
163	Walk bikes thru area.	10/5/2021 7:18 PM
164	More ads to go	10/5/2021 7:17 PM
165	Extend it to include more blocks on Main Street.	10/5/2021 7:11 PM
166	None.	10/5/2021 6:59 PM
167	Nothing	10/5/2021 6:48 PM
168	More seating and more shade.	10/5/2021 6:46 PM
169	Signage at 4th for pedestrians. They don't seem to get that they're crossing a street and tend to stand in the road.	10/5/2021 6:41 PM
170	None	10/5/2021 6:39 PM
171	More live music. Food stands from restaurants	10/5/2021 6:35 PM
172	Maintain parallel alleys to always allow for emergency vehicle access and safety	10/5/2021 6:31 PM
173	Can it	10/5/2021 6:31 PM
174	Slower driving speeds on 4th street.	10/5/2021 6:30 PM
175	Mark detours around main street more prominently and attractively. Use something more attractive than orange road signs.	10/5/2021 6:27 PM
176	More games and and ways for kids to get involved	10/5/2021 6:26 PM
177	Open for a longer season	10/5/2021 6:22 PM
178	N/A	10/5/2021 6:14 PM

180	N/A	10/5/2021 5:59 PM
181	Make it year round	10/5/2021 5:59 PM
182	Continue to improve the aesthetics of the barricades. Have some theme events like the art show. Drive business beyond the barriers, ie. to Rivers and that end of Main Street.	10/5/2021 5:58 PM
183	I like it as it is.	10/5/2021 5:58 PM
184	I would rather not have the Promenade	10/5/2021 5:54 PM
185	Maybe some evening music.	10/5/2021 5:50 PM
186	I am assuming this is in relation to the promenade: The parking off main street, cross streets Granite between 2nd and 3rd, was an eyesore. The cones and/or caution tape were too subject to the weather and always looked messy. Further, the directions of how to park were quite confusing.	10/5/2021 5:46 PM
187	Move it to a new location that benefits other businesses	10/5/2021 5:39 PM

Frisco Pedestrian Promenade Survey

188	More seating	10/5/2021 5:38 PM
189	signage showing business location at access intersections.	10/5/2021 5:35 PM
190	Extend it down to 6th or even 7th	10/5/2021 5:34 PM
191	Allow open container alcohol from restaurants on the promenade	10/5/2021 5:33 PM
192	No bikes	10/5/2021 5:33 PM
193	See above. Don't close Main St	10/5/2021 5:27 PM
194	Blocking more of the street off so more businesses could be included.	10/5/2021 5:21 PM
195	See earlier comment concerning temporary stop signs on Granite Street.	10/5/2021 5:19 PM
196	Make a 3 way stop at 5th and Main. More signage that bikers have to observe stop signs.	10/5/2021 5:12 PM
197	More art and events for tourism	10/5/2021 5:10 PM
198	The additional seating and upgraded wooden platforms were a great addition this summer.	10/5/2021 5:10 PM
199	Better signage along Granite and cross Streets (example 5th and granite and third and granite). Maybe some traffic could be diverted onto Galena so granite does not feel the full burden of the three traffic?	10/5/2021 5:08 PM
200	Thanks	10/5/2021 5:08 PM
201	None	10/5/2021 5:04 PM
202	Keep the road open	10/5/2021 4:58 PM
203	Would love to see it get expanded, but understand that may be difficult. I also think Granite Street needs to be modified, specifically adding 4-way stops at the intersections where there are stop signs on Granite.	10/5/2021 4:52 PM
204	Shade, seating, and trash bins.	10/5/2021 4:48 PM
205	Same as 2021 Great job Proud of my town	10/5/2021 4:40 PM
206	More street art	10/5/2021 4:36 PM
207	I would just keep improving on the great elements in play. Outdoor seating, lighting for the evenings, incorporating live music on the weekend nights (like the Thursday night series at Town Park), encouraging sidewalk sales from the retailers... etc. Everything we experienced this summer was great. I don't know how you improve on it, but maybe there's more to be added in each of these areas?	10/5/2021 4:30 PM
208	This is a given, but better alternate routes. The construction combined with the promenade was a little tricky, but next year will be even better!	10/5/2021 4:29 PM
209	Provide additional parking	10/5/2021 4:28 PM
210	- no parklets for retail stores - more shade/seating areas [food parklets to have umbrellas or shade panels - deli belly needs to not tell their customers to 'sit in the shade at coffee roasters', and to not take chairs from coffee roasters over to their tables.	10/5/2021 4:25 PM
211	If you're going to make it a "promenade," then REALLY make it a promenade. Use ALL of the street, not just the curbs.	10/5/2021 4:24 PM
212	n/a	10/5/2021 4:24 PM
213	More music.	10/5/2021 4:22 PM
214	I would ask everyone on town council to resign so we could put people in those positions who see bigger picture and true Frisco summertime activities. Not a closed off street.	10/5/2021 4:16 PM
215	More tables or seating with shade	10/5/2021 4:14 PM
216	More shade opportunities	10/5/2021 4:14 PM
217	Again, vary the granite street diversion	10/5/2021 4:11 PM
218	Bring back the Main Street activities	10/5/2021 3:56 PM

221	Just don't open it.	10/5/2021 3:51 PM
222	Make it permanently pedestrian! Add more landscaping elements. More shade. Love the string lights!! Play structures for kids would be fun...Boulders for kids to climb on, pop fountains, more seating options!	10/5/2021 3:49 PM
223	Ensure alley way and side street parking for Main Street businesses.	10/5/2021 3:48 PM
224	Nada	10/5/2021 3:45 PM
225	more live music, maybe a concert series.	10/5/2021 3:44 PM
226	I would lengthen it	10/5/2021 3:40 PM
227	do not do it again	10/5/2021 3:39 PM
228	Guess the decision has already been made. Typical of the town.	10/5/2021 3:38 PM
229	Figure out some place else for people to park, a lot of parking is taken away from Main Street when the promenade is in place.	10/5/2021 3:38 PM

236	None	10/5/2021 3:23 PM
237	More children activities	10/5/2021 3:23 PM
238	Keep the little patios but allow vehicles. Or if you must close to pedestrians only, close one side like traffic going East but not all of it!	10/5/2021 3:21 PM
239	Loved it as-is!	10/5/2021 3:20 PM
240	Not having it. More parking	10/5/2021 3:19 PM
241	Art could be more front and center. Parklets break up and add character to the space but shouldn't gone relied on as the only feature as an excuse for cars. Flower additions were amazing in 2021. More shade areas	10/5/2021 3:18 PM
242	It is fine the way it is.	10/5/2021 3:18 PM
243	more murals/other public art, shade	10/5/2021 3:17 PM
244	More public parking. Also I suggest you add 4-way stops to corner of Granite & 5th and Granite and Granite and Sixth to slow down traffic around Main St.	10/5/2021 3:15 PM
245	Make it go away!!!!!!!	10/5/2021 3:12 PM
246	What might be interesting would be if it were possible for there to be kiosk type businesses in the street in front of the handful of dead spaces (like in front of the construction now).	10/5/2021 3:11 PM
247	Hopefully better housing will allow businesses to keep their establishments staffed so that everyone can stay open and make the most of the Promenade.	10/5/2021 3:10 PM
248	More planters, continue with the nicer fencing, benches for public that aren't necessarily at a restaurant or business.	10/5/2021 3:08 PM
249	I would love improvements to surrounding streets and the fencing structures indicating where the promenade is. Also it would be fabulous if the construction is complete on hwy 9 and created a better pedestrian environment all the way to the Marina.	10/5/2021 3:06 PM

259	More shade and longer into September	10/5/2021 2:55 PM
260	Thanks for asking. I still think reducing vehicles and competing sound as well as adding beauty- art & flowers is good.	10/5/2021 2:54 PM
261	As I stated earlier need to limit usage to avoid hodgepodge outdoor usage (ex. Putt putt) which causes an amusement park promenade.	10/5/2021 2:53 PM
262	It opens Friday morning and breaks down Sunday night.	10/5/2021 2:52 PM

269	Encourage people to stroll on the street, didn't see as many people walking on street this year. Most were walking on sidewalk by the stores which was probably better for the businesses.	10/5/2021 2:46 PM
270	The Promenade was great. Please put in a sidewalk on Granite to make it safer for us residents to access the Promenade.	10/5/2021 2:46 PM
271	Do it for July 4 for two weeks and then again on Labor Day wknd if desired. Otherwise there is no reason for the promenade. It was precipitated by the pandemic and that concern of congestion on walks has passed. Time to stop negatively affecting others business models with this decision.	10/5/2021 2:44 PM
272	Extend an additional block in either direction.	10/5/2021 2:42 PM
273	There seems to be a quality issue for me. Some of the business and restaurant amenities, like tables, chairs, umbrellas, chill out areas are not consistent in quality. Some look nice, some look like h___!	10/5/2021 2:41 PM

277	I do not want the promenade back. It was a parking and traffic disaster especially with closings on I 70 and there is no way around that. It's a bad idea all together	10/5/2021 2:39 PM
278	Less signs on each end of the promenade.	10/5/2021 2:39 PM
279	do not allow individual musicians to play outside the same time as the Music in the historic park. That was very annoying!	10/5/2021 2:37 PM

286	Our place is on Galena, so we bear some of the responsibility for increased traffic through the neighborhood. We don't mind the traffic, but we do want to make sure that there are adequate speed limit signs so that folk don't roar down the street.	10/5/2021 2:30 PM
287	Clearer bike lanes	10/5/2021 2:28 PM
288	More enforcement of the speeds and stop signs on Granite and Galena. it was dangerous to ride bikes past there as adults, let alone with kids.	10/5/2021 2:28 PM

297	Improve Madison Ave detour	10/5/2021 2:24 PM
298	More seating areas with shade. More engagement pieces from businesses like the putt putt. Less crappy open mic night at the bar music and more professional music.	10/5/2021 2:24 PM
299	Figure out the traffic issues. Otherwise, we really enjoy the promenade and would be in favor of seeing it return.	10/5/2021 2:24 PM
300	Sending bypass traffic down Granite or Galena is not the best reroute as those streets have more residential complexes than Main Street and can be a safety issue. Main Street is designed for this people to vehicle interaction, the side streets are not as much.	10/5/2021 2:23 PM

3	Don't bring it back	10/12/2021 4:41 PM
4	Since Breck does not do it I feel it makes Frisco unique that we have a promenade. Maybe more music even individuals or small acoustic bands.	10/12/2021 1:40 PM
5	I know some of the business owners who are just off of main street might feel this hinders their business, but this is the difference between being on Main and just off main. Location Location Location	10/11/2021 11:05 AM
6	The Promenade adds to the festive atmosphere of Frisco and adds to the small town charm. Keep it up!!	10/10/2021 6:06 PM
7	This was a great idea for 2020 as we navigated the new covid restrictions. The Promenade took money out of the pockets of (some) businesses outside of the blockage.	10/10/2021 2:58 PM
8	i would really love to see the town of frisco consider the residents of granite street as valuable members of the community. this is our home and we moved close to main street to be part of the community. many aspects of the promenade are wonderful, but the toll it puts on granite street is not worth it. to my knowledge not one person on the town council lives on granite street, however they are making decisions about traffic flow that is drastically affecting the lives of those who live here. rather than just a street to offload all the summer traffic, congestion, speeding, honking and near collisions between bikers and cars, i would like to see granite street become part of the downtown core with more of a focus on walkways & bike lanes. i absolutely wanted to support the shops & restaurants on main street during the pandemic, however i can no longer support the promenade if granite street is going to absorb all of the town's traffic during key months.	10/9/2021 9:08 AM

11	Fun idea to start, but not necessary- so many visitors come to our amazing Town, we just don't need to keep shutting our main thoroughfare- and spending a LOT of money on select number of businesses.	10/7/2021 9:05 PM
12	I think this is a real differentiator for summers in Frisco! Thanks for your work on this.	10/7/2021 7:54 PM
13	It's nice but it wasn't great this year. Sending all the traffic down Granite is terrible and very noisy and people FLY down granite. I think it's better if we let the restaurants and other businesses have a park let or two and then leave Main open. Since traffic will run down Granite anyway maybe put in some more stop signs and street lamps would be welcome too. I think this is in the works, but a bike lane would be appropriate too.	10/7/2021 7:19 PM
14	It would be nice if it could be figured out how to make crossing the alternate routes(Granite) safer for vehicles, bicycles, and pedestrians. Especially the out of town truck traffic on Granite cutting through Frisco to get to Hiway 9 was scary. Suggestions: 1. Have the signs on I-70 changed to indicate Exit 203 as the route to Breckenridge; 2. Signs on Granite reminding traffic to yield to pedestrians; 3. Painted crosswalks; and, 4. Stop signs at each crossing - transiting vehicles would be more likely to take Exit 203 and Summit Blvd from I70 to Breck and locals would understand the need to protect people and pets from vehicles. It seems that, with the completion of Main and Summit Blvd work on south, traffic on Hiway 9 from and to I70 will flow much more smoothly.	10/7/2021 1:30 PM

23	We love being a part of this awesome community!!!	10/6/2021 5:02 PM
24	2021 saw a lot of troublesome traffic congestion, but we think that was largely due to the construction project on Hwy. 9. Have more prominent signs to the expected parking lot on Granite.	10/6/2021 4:52 PM
25	It was good during the Pandemic, but it's more a traffic and parking nuisance than what it's worth. A quaint drivable Main St. is likely more impressionable.	10/6/2021 4:11 PM
26	Not at the moment	10/6/2021 3:49 PM
27	Perhaps the focus shouldn't be on whether to do it next year, but more simply why would we not?	10/6/2021 3:38 PM

32	I think I said it all. In my opinion, pls dont do it again.	10/6/2021 11:57 AM
33	Too much traffic on Granite where we live. If Main St is closed again, there needs to be an equitable distribution of that traffic to streets other than Granite.	10/6/2021 11:24 AM
34	Nope	10/6/2021 11:23 AM
35	None	10/6/2021 11:20 AM
36	I loved the idea of having the promenade rather than individual events. It was more casual and always there which made our main street even more unique. And, I believe this fits our community more than large scale events like the BBQ. Seeing small groups of people/families/friends strolling main street with lots of room just lifts your spirit as opposed to masses of people. Hopefully there will be more employees for the restaurants to reduce wait times and serve more people more easily next year. That was probably the only negative. Maybe the restaurants could have more take out/pick up services with nice areas to sit and eat provided by the town could be worked into the matrix. Just a thought...	10/6/2021 10:54 AM
37	As above	10/6/2021 10:45 AM
38	I always leave a piece of my heart in Frisco when I return to Cincinnati for the school year.	10/6/2021 10:31 AM
39	Bring back the BBQ challenge!	10/6/2021 10:30 AM
40	It is nice to see that the automobile is not always necessary. Walking means you get to appreciate the beauty of Frisco. People also can see what the local businesses are selling.	10/6/2021 10:07 AM
41	Please don't do this again. You're focusing on Main Street which holds visitors there, discouraging them from wandering out into other areas of town. This kept visitors from discovering my business.	10/6/2021 10:05 AM

54	The Promenade experiment was a success when it was necessary during the pandemic and was even more successful after when it was product of that success. The Promenade has proven that we no longer need special events to draw people in to our still small mountain town.	10/6/2021 7:53 AM
55	Just that we really enjoy it.	10/6/2021 7:41 AM

62	Frisco Main St. is usually not the quickest way to drive through town anyway, so no loss.	10/6/2021 6:14 AM
63	It's really nice, as a visitor it showcases the businesses nicely. Being able to walk down the street and clearly see each business as it is not covered in any way by parked cars is nice. Having children and having a place for them to safely run around while taking in Frisco's beautiful Main Street is wonderful. I feel like we spent more time downtown than we would have it there was no promenade. Very well done and as a yearly visitor my family and I really enjoy and appreciate the hard work that goes into the promenade.	10/6/2021 5:21 AM

74	I believe the promenade is an improvement in terms of both pedestrian safety, and hampering those who would seek to use Frisco's streets as a short cut between I-70 and Breckenridge.	10/5/2021 11:13 PM
75	Love it.	10/5/2021 10:45 PM

97	While people may feel it provides economic benefit to those on Main St., that is what Main St is in Frisco. It is supposed to be the center of town the economic driver. That is the ONLY thing that drives visitors to Frisco. Look at what Dillon and Silverthorne are trying to do now, they miss having this. Main St needs to be utilized as much as possible to promote Frisco. This includes the Promenade and events like the Frisco BBQ. Frisco economy is based on tourism and these are the things that drive it.	10/5/2021 8:20 PM

99	If the barbecue competition was too much for our town, how is the promenade ok? Still too much congestion and it's every day.	10/5/2021 8:17 PM

116	No thanks. I appreciate this survey.	10/5/2021 6:27 PM
117	Please bring it back, make it permanent each year, and extend the dates it happens thank you!	10/5/2021 6:26 PM
118	The promenade send to have become it's own attraction. With the Summit Blvd project complete I think things will only get better on Main St.	10/5/2021 5:58 PM

121	Butterhorn: "This has been one of the most profitable years we've ever had as a restaurant," Dreher said. "(We're) hitting peak numbers and shredding sales records. We saw that last year a couple days out of last summer, but this summer, it's been quite above any other year, and it's incredible to have such high numbers." Smok n Bra: "I kinda got thrown out of the promenade," Day said. "It took a lot of business away from me because it closed me out of it. Everyone wanted to stay on Main Street and no one wanted to get off of Main Street ... so I feel like business was slower this July than July 2020."	10/5/2021 5:39 PM

134	no bikes on sidewalks!!!! the next time I get hit by a bike, I will sue the Town.	10/5/2021 4:25 PM
135	More music.	10/5/2021 4:22 PM
136	Stop trying to change Frisco into some other town in the mountains. Frisco got to where it's at by being a fun place to visit. TO DRIVE DOWN MAIN STREET. It's not Boulder or some plaza type crap place to walk down. SMALL MOUNTAIN TOWN GUYS. Try and remember that.	10/5/2021 4:16 PM
137	Please, please, please bring back the Promenade every year!!	10/5/2021 4:14 PM
138	Please don't do it again. Traffic is already a nightmare and this small town is being referred to more and more as Denver West or a suburb of Denver. It's not the same small town feel anymore. It feels like the rat race is now here.	10/5/2021 4:09 PM
139	Have restrooms or port-a-potty availability on Main Street. Our business does not have a public restroom but we are asked DAILY for our bathroom key	10/5/2021 3:48 PM
140	This should be permanent and not necessary to survey each year asking. It's an amazing improvement to town.	10/5/2021 3:47 PM

142	it was difficult to get to the post office daily. it was difficult getting around town	10/5/2021 3:39 PM
143	More traffic monitoring on Granite, Galena and alleys. It is dangerous for pedestrians, and residents on those streets because cars travel so fast to get through town. I have even seen the police violate the law to get to town hall.	10/5/2021 3:38 PM
144	I love the feel of the promenade, but there needs to be additional ways around Main Street that lead to Summit Boulevard, the people of Granite Street just gave birth to a lot of extra traffic because of the promenade.	10/5/2021 3:38 PM
145	It follows a trend found in other cities. I believe visitors/consumers are starting to expect an experience like this wherever they go.	10/5/2021 3:36 PM
146	please return to normal pre pandemic traffic on Main Street	10/5/2021 3:33 PM
147	Nope	10/5/2021 3:23 PM
148	Keep it! It is SO nice not to have to hassle w cars and traffic. People tend to hang out and linger while kids play etc	10/5/2021 3:20 PM
149	My one restaurant underachieves sales as soon as the promenade starts. I will also have my second restaurant open by next summer. It's in the promenade zone. It will be 100 meters up and down stairs each way to access the promenade. That's not even a possibility. I'll need parking spaces not parking spots filled with tables. If there is another promenade. I will be after lost money from this year last year and next year. Why are renters in frisco who have lived here since the 80's not allowed to vote on these matters but second home owners get to vote in there primary home and this town. Makes zero sense and is unfair.	10/5/2021 3:19 PM
150	Please bring it back. It's a free attraction and serves residents and visitors alike. And it meets sustainability goals.	10/5/2021 3:18 PM
151	Please, please, please make it go away so I can come back to Frisco!	10/5/2021 3:12 PM
152	I appreciate all the work that the town and businesses are putting in to this. Keep it up!	10/5/2021 3:11 PM
153	Yes, yes yes. Do it again. Once construction on summit Blvd is complete it will be even better.	10/5/2021 3:11 PM
154	I find this opportunity to be equally awesome for most businesses and restaurants even though	10/5/2021 3:10 PM

there are some who might be disadvantaged by not having parking. We have so much parking on side streets and the parking lot across from the historic park that I don't see this as prohibitive.

155	The flower boxes and planters were so beautiful this summer!! Strong work, Frisco!!!	10/5/2021 3:07 PM
156	Thank you so much for your efforts to increase foot traffic and improve the Main Street of the Rockies.	10/5/2021 3:06 PM
157	Great summer! Keep up the improvements and great events.	10/5/2021 3:04 PM
158	Frisco does a nice job and works hard to make it really nice experience for everyone. Visitors, Residents and Business Owners	10/5/2021 3:02 PM
159	Great job in 2021! I am so grateful for all those contributing to how our beloved town adapted to the pandemic and for everyone focused on managing and shaping the future of Frisco. Keep up your great work - the Promenade is a showcase of all that you have done and are doing!	10/5/2021 3:01 PM
160	Please Please PLEASE bring the promenade back - we should have it every year - it is such a wonderful gift and creates so much community!!!	10/5/2021 3:00 PM

165	It's such a great addition to the town. If Breck continues theirs and Frisco does not, we will lose tourists to Breck. If Breck does not continue theirs, Frisco will gain some of their tourists.	10/5/2021 2:52 PM
166	bring it back, please!!!	10/5/2021 2:49 PM
167	I strongly suggest it be discontinued for 2022.	10/5/2021 2:46 PM
168	It was a great addition and I hope you do it again.	10/5/2021 2:46 PM
169	I think the same could be accomplished by parklets (aka Butterhorn still using it) versus closing the entire road.	10/5/2021 2:44 PM
170	The concept is great but there simply is not enough parking for those of us who work on Main St. Many business hours were lost due to lack of convenient parking and I don't mind walking a few blocks.	10/5/2021 2:41 PM
171	Please do bring it back, its a great way to showcase this beautiful town!	10/5/2021 2:41 PM
172	Yes, there is no way to predict future potential closings of I 70 and every single time that happened the pedestrian promenade created serious traffic jams in and around Frisco which then spilled over, making everyone's lives more difficult. Those challenges far outweighed any potential small benefit that the promenade provided. Our town was much better the way it was. The change in town traffic patterns created far more safety issues for pedestrians and bikers on granite and made it far too dangerous on all of the side streets as well as created far too much traffic on all of the side streets. That totally defeated the purpose of all of the money that was originally spent on all of the construction making downtown Frisco more pedestrian friendly a few years back. Town was already pedestrian friendly and the promenade did nothing to improve sales, safety, or traffic slow in our town. It might have been a good idea during the original Covid shut down, but as far as I am concerned it was an absolute disaster in 2021. My child and I were almost involved and more than 20 separate accidents with vehicles This past summer on 2nd Ave. and granite alone. That is unacceptable.	10/5/2021 2:39 PM
173	This is much better for our Town than a BBQ!	10/5/2021 2:39 PM
174	The promenade added some cuteness to the already cute town. I enjoyed the little arts/crafts and small sitting areas. One could sit while one shopped.	10/5/2021 2:36 PM
175	No.	10/5/2021 2:35 PM

177	Thanks for the opportunity to comment.	10/5/2021 2:30 PM
178	The Promenade was a creative way to get people back to downtown and distanced so that stores and restaurants could reopen. as we navigate away from the pandemic, it amounts to government changing the outcomes of business operations based on a new set of rules and conditions that were not present at the time any of them established their business plans and opened their doors. this affects businesses across town as well as downtown and provides benefits to some and roadblocks to others that would not otherwise exist in a level playing field. Saying business sometimes need to "pivot" is invalid because these are not normal market shifts, they are the government deciding to make changes that are not voted upon by the people being affected. these polls are not valid ways to count feedback like they are the votes of the citizens because it is too easy to send multiple responses and anyone can vote even if they have no standing. Businesses are affected by a serious lack of parking, others benefit by being within the walking zone while others suffer the effects of being outside. There are no businesses reporting declines in revenue so it is problematic to look at sales tax without diving into their business models and staffing situations. In summary, changing the traffic flow and parking options of the long term should be something left to the voters directly so that businesses can make plans on how to operate and if they need to move or close. Having it be up to the council to decide and to not know what the next year will bring is not a fair (and hardly legal if it is at all) situation.	10/5/2021 2:28 PM
179	THIS SUMMER WAS NOT THE BEST USE OF TRAFFIC LANES AND PARKING AND EATING AREAS.	10/5/2021 2:27 PM

184	Would love to see it back!	10/5/2021 2:24 PM

188	Again, we live on Granite, and the buses, police officers, etc. are the biggest offenders of driving very quickly down Granite since they were detoured from Main street. My dog and young children are at a higher risk because of this change.	10/5/2021 2:19 PM
189	Do it again in 2022!	10/5/2021 2:19 PM
190	Please bring back the promenade at least for the summer - I would love it to be closed to cars year-round!	10/5/2021 2:18 PM
191	We are on main st but not in the closed off area. At first and main.	10/5/2021 2:18 PM
192	Promenade is completely inequitable and should be eliminated. Businesses which need additional space should do what every other business on the planet does - Build or lease said additional space as required.	10/5/2021 2:18 PM
193	I really like the festive feel that it has and I'd like to see it return in some form or another. I see the problems that some business owners have and I hope solutions can be found to help those situations.	10/5/2021 2:17 PM
