RE: JANUARY, 2021 POLICE AND COURT ACTIVITY
DATE: FEBRUARY 23, 2021

Summary and Background: I am happy to report that Officer John Valasquez who is currently in the police academy was selected as a team leader in the academy. John is in his fourth week of the academy.

Officer Trace Elmgreen has completed his third week of the Patrol Training Officer Program. He is doing outstanding work !!!

We will be doing interviews for new officers on February 10th. We have seven applicants that we will be interviewing.

Community Service Officer Calie Rushton underwent surgery for a hip arthroscopy on December 7th. She is now back to light duty and undergoing physical therapy twice a week.

We have been working closely with the Fraser Winter Park Police Department as well as the FBI on our robbery of the credit union. We currently have a geofencing warrant and continue to work on identifying the suspect.

We will slowly be purchasing the items we requested last fall for the police department. It is important that we have the necessary policies in place before we go operational.

Sergeant Brandon Vail's wife Bailey gave birth to Stirling Harry Vail recently. Mom and baby are doing great.....
